ITE CERTIFICATION SYSTEM (FOR FULL-TIME PROGRAMMES)

The ITE Certification System comprises three certification levels as follows:

- **National ITE Certificate (*Nitec*)** for courses that require completion of GCE 'O' Level or GCE 'N' Level as an entry requirement, with pre-requisites for certain courses.
- **Higher National ITE Certificate (*Higher Nitec*):**
 - 2-Year *Higher Nitec*** – for courses that require GCE 'O' Level or GCE 'N' (Academic) Level with pre-requisites as an entry requirement.
 - 3-Year *Higher Nitec*** – for courses that require completion of GCE 'N' Level or GCE 'O' as an entry requirement, with pre-requisites for certain courses. Students enrolled in 3-Year *Higher Nitec* courses will undertake broad-based foundation courses exposing them to fundamental skills needed for the relevant industry sector in Year 1. In Years 2 and 3, they will then take more specialised modules, leading to a *Higher Nitec* certification.
- **Technical Diploma** for courses that require relevant *Higher Nitec* or *Nitec* as an entry requirement.

ITE FULL-TIME TRAINING SYSTEM

ITE offers a wide range of full-time courses at the Technical Diploma, *Higher Nitec* and *Nitec* levels. ITE's full-time courses are conducted in a Term-based Credit System of Training.

In each term, students take specific **modules** and are assessed on their performance in each module. On passing a module, credit points will be awarded to the students. Students who have accumulated the required number of credit points stipulated for the course of study will be awarded an ITE certificate.

ITE COLLEGES

Under the 'One ITE System, Three Colleges' Model, ITE's curriculum is delivered across three Colleges in Singapore. All Colleges promote multi-disciplinary and cross-level learning.

To help students learn better, each ITE College is equipped with high-tech learning spaces that are conducive for digital learning approaches. Practical lessons are conducted in exciting, authentic learning environments that simulate actual work situations like aircraft hangars, well-equipped training kitchens and restaurants, sound stages, AR/VR studios, retail and healthcare labs, to name a few. Students also receive training from digital learning platforms, accessed through mobile devices and personal computers.

Our Colleges have extensive sports and recreational facilities too, such as swimming pools, gymnasiums and courts for volleyball, badminton, basketball and tennis. Students who are interested in Performing Arts have opportunities to hone their skills in black box theatres and dance studios.

Each College provides an environment for students to thrive, whether in their studies or in their areas of interest.

The locations of the three ITE Colleges are as follows:

ITE College Central

A College of Creativity & Innovation
2 Ang Mo Kio Drive
Singapore 567720

ITE College East

A College of Enterprise & Innovation
10 Simei Avenue

2023 INTAKE EXERCISE

Joint Intake Exercise ‘O’ (JIE ‘O’) for 3-Year Higher Nitec and 2-Year Nitec Courses

The **January 2023 Joint Intake Exercise ‘O’ (JIE ‘O’)** is conducted to enable GCE ‘O’ Level holders to apply for **3-Year Higher National ITE Certificate (3-Year Higher Nitec)** and/or **2-Year National ITE Certificate (Nitec)** courses conducted by the Institute of Technical Education (ITE). Successful students who are offered a 3-Year *Higher Nitec* or 2-Year *Nitec* course will commence their training in January 2023. GCE ‘O’ Level holders can choose to take up a course under **Full-Time Education** or **Traineeship**.

You will receive this **ITE Admission Booklet** through your school on the day when the 2022 GCE ‘O’ Level examination results are released, and a **Form J** if you have sat for the 2022 GCE ‘O’ Level examination as a school candidate. The full-time 3-Year *Higher Nitec* and 2-Year *Nitec* courses under JIE ‘O’ you are eligible to apply based on your GCE ‘O’ Level results are indicated on the **Form J**. Offer of a course is based on merit and vacancy available.

To apply for a full-time 3-Year *Higher Nitec* or 2-Year *Nitec* course under JIE ‘O’, please follow the instructions given from page 27.

To apply for a **traineeship course**, please follow the instructions given from page 106.

Joint Admissions Exercise (JAE) for 2-Year Higher Nitec Courses

The **April 2023 Joint Admissions Exercise (JAE)** is conducted jointly with the Ministry of Education to enable GCE ‘O’ Level holders with the **relevant pre-requisites** to progress to full-time **2-Year Higher National ITE Certificate (Higher Nitec)** courses conducted by ITE. Successful students who are offered a 2-Year *Higher Nitec* course will commence their training in April 2023.

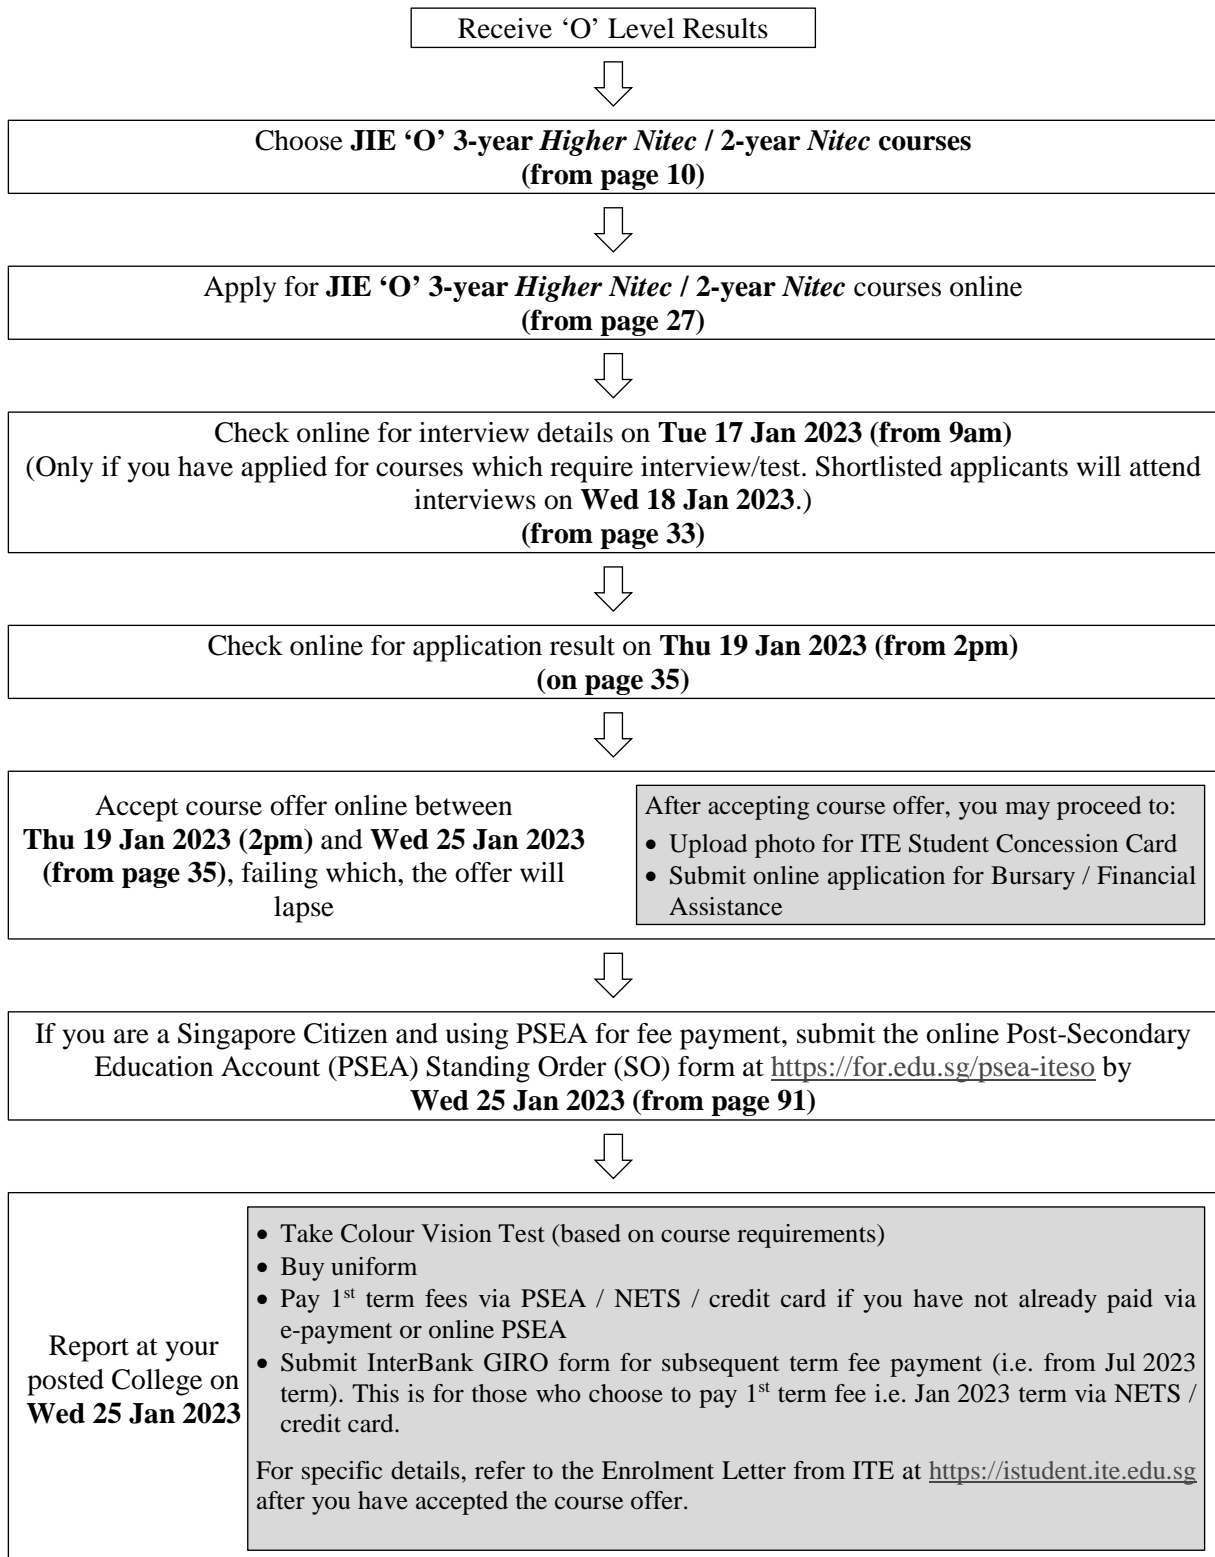

You will receive MOE’s **JAE Form A** and this **ITE Admission Booklet** through your school on the day the 2022 GCE ‘O’ Level examination results are released. Please refer to page 75 of this booklet as well as **MOE’s JAE Information Booklet** for instructions on how to apply for the **2-Year Higher Nitec** courses at ITE. Students receiving **JAE Form A** may also apply for 3-Year *Higher Nitec* and 2-Year *Nitec* courses under JIE ‘O’.

IMPORTANT

Please keep this booklet after you have submitted your application for ITE courses and note the following:

- a) National Service (NS) liable males who wish to pursue full-time ITE courses in 2023 will have to check their eligibility for NS Deferment. For latest updates on NS deferment eligibility and policy, please visit <https://for.edu.sg/ns-deferment>. Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled in.
- b) If you have applied for 3-year *Higher Nitec* or 2-year *Nitec* courses with interview and are shortlisted for interview, the interview date is scheduled on **Wed 18 Jan 2023**.
- c) If you are posted to a full-time 3-year *Higher Nitec* or 2-year *Nitec* course under JIE ‘O’, please follow the instructions as given from page 35 to accept the offer. If you are posted to a full-time 2-year *Higher Nitec* course under JAE, please follow the instructions as given from page 77 to accept the offer.
- d) If you are not posted to a full-time course or wish to change your posted course or College, please follow the instructions as given to submit your appeal.
- e) All the dates and schedules in this booklet are tentatively planned. Please refer to latest changes (if any) in The Straits Times advertisement or ITE website following the release of the 2022 GCE ‘O’ Level Examination results.

FULL-TIME 3-YEAR *HIGHER NITEC* / 2-YEAR *NITEC* COURSES AND ENTRY REQUIREMENTS

Starting with selected courses in Academic Year 2022, ITE offers a new curricular structure that allows students to directly graduate with a *Higher Nitec* qualification after three years of training, instead of four years. The 3-year *Higher Nitec* courses are open to students with GCE 'N' Level and GCE 'O' Level qualifications.

GCE 'O' Level holders can apply for the following full-time 3-year *Higher Nitec* and 2-year *Nitec* courses under January 2023 JIE 'O'. Posting to a course is based on the aggregate score of best 5 GCE 'O' subjects, including CCA bonus points where applicable and is subjected to availability of vacancy.

Under JIE 'O', applicants may choose up to a maximum of 12 choices, which can include 3-year *Higher Nitec* courses together with 2-year *Nitec* courses in the same application. Each choice will comprise the course and College, e.g. *Nitec* in Business Services conducted at ITE College Central and *Nitec* in Business Services conducted at ITE College East are taken as 2 choices. *Higher Nitec* in Accounting (3 years) course conducted at ITE College Central and *Nitec* in Business Services course conducted at ITE College Central are also taken as 2 choices.

ITE COLLEGES:			
CC-AM: ITE College Central at Ang Mo Kio Drive	CE-SM: ITE College East at Simei Avenue	CW-CK: ITE College West at Choa Chu Kang Grove	

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via <https://for.edu.sg/ecg>.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via <https://for.edu.sg/LAO> before selecting their choice of application.

Notes:

- ① Applicants who are applying for the following courses: **Aerospace Avionics; Aerospace Machining Technology; Aerospace Technology; Asian Culinary Arts; Community Care & Social Services; Nursing; Opticianry; Pastry & Baking; Sport Management; Travel & Tourism Services; and Western Culinary Arts** that are offered under Aptitude-Based Admissions are strongly encouraged to seek course counselling at the Colleges offering these courses during the application period so as to understand the course requirements. Applicants must first meet the ITE aggregate point for these courses to be shortlisted. Shortlisted applicants will be required to attend **one interview** (see page 33) to assess their suitability for the course. Shortlisted applicants who are not successful at course interview will be considered for their **remaining choices without interview** based on merit and choice. Priority in selection will be given to **first-choice applicants** based on their results for these courses. **Applicants applying for these courses are advised to indicate them as their first choice.** For all other courses, selection will be by merit and choice based on the results of applicants. Applicants who are keen in courses with interview are encouraged to apply for a mix of courses with interview and courses without interview in their choices to maximise their chance of posting.

- ② In line with industry requirements, applicants for the following courses must ensure that they do not have colour appreciation deficiency: **Aerospace Avionics; Aerospace Technology; Applied Food Science; Built Environment; Chemical Process Technology; Electrical Technology (Power & Control); Electronics Engineering; and Mechatronics & Robotics**. Colour vision test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
- ③ Due to the special requirements of the healthcare profession and in the delivery of direct patient care, all applicants have to pass a pre-admission medical examination and be free from physical and mental handicap to ensure suitability. Whilst not comprehensive, the following medical conditions will lead to non-acceptance into the course:
- Epilepsy
 - Legal Blindness
 - Active Tuberculosis
 - Profound Deafness
 - Psychiatric Condition
 - Uncontrolled Diabetes
 - Uncontrolled Hypertension
 - Uncontrolled Asthma
 - Mobility Restricted (Hindering Performance)
 - Physical Dependence upon Mobility Equipment
- ④ All prospective healthcare students must be fully vaccinated against COVID-19 with a vaccine regime recognised in Singapore. Those who are Medically-Ineligible will be subjected to prevailing MOH and healthcare institutions' policies. Those who are Medically-Eligible but wish to remain unvaccinated may not be able to access the healthcare and community care settings to complete their clinical posting and meet the clinical training requirement necessary for graduation or their course completion may be delayed due to restrictions on clinical training.

Due to the job-specific requirements of the healthcare profession in the delivery of direct patient care, all applicants have to pass a pre-admission medical examination and fulfil 'Fitness to Practice Advisory' for nursing student stipulated by the Singapore Nursing Board:

FITNESS TO PRACTICE ADVISORY FOR NURSING STUDENTS

As the delivery of direct patient care is a requisite of healthcare professions, all applicants must pass a medical examination and be certified to have the following abilities to perform patient care activities in a safe and effective manner:

- 1) **Mental-Cognitive ability** (*interpersonal-communication ability and behavioural stability*) to:
 - (a) *provide safe care to populations, including safety to self*
 - (b) *demonstrate emotional-behavioural stability to function under the stress and pressure when performing nursing care on patients*
 - (c) *being observed by instructors and other health care personnel during clinical practice attachments.*
- 2) **Physical ability** to:
 - (a) *move around in the clinical environment, walk/stand, bend, reach, lift climb, push and pull, carry objects*
 - (b) *perform patient transfers and complex sequences of hand-eye coordination.*
- 3) **Auditory ability** to:
 - (a) *hear faint body sounds*
 - (b) *auditory alarms*
 - (c) *normal speaking level sounds (i.e. blood pressure sounds, monitors, call bells and person-to-person report).*
- 4) **Visual ability** to:
 - (a) *detect changes in physical appearance, colour and contour*
 - (b) *read medication/ drug labels, syringes, manometers, written and electronic communication accurately.*

The above required abilities are stipulated in consultation with Singapore Nursing Board to ensure nursing students are fit to practise when they apply for enrolment upon graduation from the nursing programme.

Interested applicants with known condition(s) or unsure if their condition(s) may affect their ability to deliver safe and effective patient care are highly encouraged to contact ITE College East at college_east@ite.edu.sg

for more information.

- ⑤ As an eyecare practitioner is required to provide care, consultation and management of a client's vision, through eye tests and effective communication, applicants need to have good interpersonal skills, good psychomotor ability and be free from specific impairments. Whilst not comprehensive, the following medical conditions will lead to non-acceptance into the course:
- Profound Deafness or Vision Impairment
 - Psychiatric Condition
 - Physical Dependence upon Mobility Equipment
 - Impairments that affect Mental-Cognitive ability (including interpersonal-communication ability and behavioural stability) to: (a) provide safe care to clients (b) demonstrate emotional-behavioural stability to function under the stress and pressure when providing opticianry care.
- ⑥ Successful students will be required to purchase Training Materials (which will cost about \$300 for Asian Culinary Arts and \$300 for Western Culinary Arts) for the 2-year courses. This is in addition to the course fees. Financial assistance is available to eligible students subject to terms and conditions. Students can keep their materials at the end of the course.
- ⑦ For all courses:
- (I) The 3-year *Higher Nitec* courses comprise 3 months of Industry Attachment in Year 2 and 6 months of Industry Attachment in Year 3. The 2-year *Nitec* courses comprise 3 or 6 months of Industry Attachment, except for Nursing which comprises 9 months of on-the-job clinical training.
- (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions. For details, turn to page 98.

Bonus Points

The table below shows the bonus points available for CCA participation. Please note that these bonus points are not taken into account when considering whether applicants are eligible for courses. The CCA bonus points will only come into effect when the applicant has been deemed eligible and is being considered for posting based on merit.

Types of Bonus Points	Number of Bonus Points Awarded
For applicants with the following CCA grades:	
a) Excellent or Grades of A1 - A2	2 points
b) Good or Grades of B3 - C6	1 point

Some job titles held are Accounts Assistant, Accounts Associate and Finance Assistant. Graduates can advance in their careers (e.g. Accounts Executive, Senior Accounts Executive) once relevant experience and higher-level accounting skills are acquired.

Higher Nitec in Cyber & Network Security (3 years)

Are you game enough to be a cyber defender in securing our network servers and devices against online threats?

To cater to industry demand, the curriculum structure encompasses the specialised skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. Join this course and be a champion for security to enhance cybersecurity defence for businesses. You will learn to support cyber security operations in end-user devices, network, and server in an enterprise IT / cloud environment for cyber security services. You will also learn to analyse security-related events and escalate incidents for validation and remediation.

Higher Nitec in Cyber & Network Security graduates are employed in public and private sector organisations to administer networks and operating systems, monitor the network for security events, assist to manage virtualization infrastructure and perform cyber security operations. Some of the job titles held by graduates include Cyber Security Associate, Technical Support Associate, IT Security Specialist, Network Security Specialist, Systems and Security Administrator.

Higher Nitec in Electronics Engineering (3 years)

The key to the future of a smart nation is leveraging the fundamentals of Microelectronics, IoT, AI, Automation, smart devices and systems.

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the electronics sector. Be immersed in the innovation and evolution of microchips, smart devices and systems (autonomous robotic systems, smartphones, wearables, home appliances, microelectronics, smart audio visual systems, sound and video recording, and others). Gain strong foundations and essential skills in electronics and a good head start in your careers in numerous sectors:

- AI & Automation
- Audio Visual Systems
- IoT and Communications
- Microelectronics

Higher Nitec in Electronics Engineering sets your career in an industry with boundless opportunities in autonomous robotic systems, AI-Powered autonomous systems, audio visual systems, consumer electronics, Internet of Things (IoT), smart nation and communication systems, Microelectronic manufacturing and semiconductor industries.

With strong industrial partnerships, our students are provided with a wide array of internship opportunities and projects collaboration. Our student-centric and authentic learning approaches produce highly skilled, versatile and professional graduates, who are sought after by the industry.

Career opportunities include Engineering Assistant, Technical Specialist, Junior Autonomous Vehicle Engineer, Quality Technical Support, Manufacturing Assistant Engineer, Process Assistant Engineer, IoT Assistant Engineer, Audio Visual Specialist, Communication Equipment Assistant Engineer, Junior Robotics Engineer, Assistant Sales Engineer, Assistant Field Customer Engineer and Computer Services Assistant Engineer.

Note:

Specialisation	College Offering
IoT and Communications	College Central College East College West
Microelectronics	College Central
Audio Visual Systems	College Central
AI & Automation	College East College West

Higher Nitec in IT Systems & Networks (3 years)

Are you enthusiastic about how computer systems communicate with other computers and peripherals in a networked environment? Do you want to know how to manage server operating system and implement secured wireless and wired networking environment?

To cater to industry demand, the new 3-year curriculum structure comprises the specialised and deepened skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. You will learn how to set up, maintain and troubleshoot end-user computing devices, network, server and application in a hybrid infrastructure environment. You will also implement wireless LAN and network security, as well as assist in the support of IT project development to ensure smooth operations of Infocomm hardware and software in the organisation.

Higher Nitec in IT Systems & Networks graduates can be employed by Information Technology (IT) users and supplier organisations. The IT users are public or private organisations using computer systems (networked or stand-alone) in their business operations. The IT suppliers are companies providing computer hardware / software and IT services. Some of the job titles held by graduates include IT Specialist, IT Technician, Network Support Specialist, IT Technical Support Specialist, Associate System Administrator, Desktop Support Engineer and Network Traffic Engineer.

Higher Nitec in Sport Management (3 years)

Do you want to clinch that dream job in the vibrant sporting industry?

The role that sports has in our society is pivotal. To cater to industry demand, the new 3-year curriculum structure comprises specialised and deepened skills sets built upon broad-based foundation skills of the sports and fitness sector. Upon the successful completion of the course, you will be able to find suitable employment in the fitness and sports industry. You will acquire the practical skills to help you in sports events and marketing and motivating clients to reach their fitness and sports goals.

In addition, the Sports Science and Sports Coaching concepts covered in this course will also provide you the viable opportunity to become a successful fitness instructor or sports coach in public or commercial domains across the fitness and sports industry. Applicants for the course should preferably have a strong background and passion for sports and be physically fit and active.

Higher Nitec in Sport Management graduates are employed in public or commercial domains. Some job titles held are Sports & Fitness Executive, Recreational Assistant, Fitness Assistant, and Sports Event Coordinators. Career advancement prospect will improve when graduates acquire experience and upgrade their skills and knowledge with higher-level courses.

Nitec in Aerospace Avionics

See the world from above! Train on modern instrumentation, electrical, and avionics systems that are applicable to both manned and unmanned aircraft.

In this course, you will learn to maintain and repair modern avionics systems onboard various aircraft types housed in our very own aircraft hangar. With our latest training on Unmanned Aircraft (UA), more commonly known as “drones”, students will have a deeper understanding of piloting one. You will be equipped with high-tech skills to maintain and operate both manned and unmanned aircraft.

Our graduates are employed by aerospace companies, which maintain and repair aircraft instrumentation, communication, navigation and electrical systems. The job titles held by graduates include Aircraft Technician (Avionics), Aircraft Maintenance Technician and Unmanned Aircraft Operator.

Nitec in Aerospace Machining Technology

Do you know that an aeroplane is made up of many precise components of different materials and shapes?

Aerospace is a rapidly developing field with many new discoveries each year. Join this course now and you will learn to manufacture components, using the state-of-the-art machines and software to monitor precision machine operations, as well as perform quality checks.

Nitec in Aerospace Machining Technology graduates are highly valued and sought after. Graduates can look forward to a rewarding career in areas such as aerospace manufacturing, oil & gas, precision machining, biomedical manufacturing and precision tooling and machine systems. Furthermore, students will embark on industrial attachments to engineering companies to give them the valuable industry experience while diversifying their career options.

The job titles held by graduates include Manufacturing Specialist, Aerospace Machining Specialist and Precision Specialist.

Nitec in Aerospace Technology

Millions of people across the world fly every day. They put their lives in the hands of the skilled technicians who keep the aircraft airworthy.

Join this course and equip yourself with the technical knowledge and skills on how to maintain and repair aircraft aero-structures and engine systems in the growing aerospace industry.

Nitec in Aerospace Technology graduates are employed by aerospace companies providing airframe maintenance, engine maintenance and structural system repair. Some of the job titles held by graduates include Aircraft Maintenance Technician, Aircraft Engine Technician, Aircraft Structural Repair Technician, Aircraft Sheet Metal Technician and Aircraft Technician (Airframe and Engine).

This is a Singapore Airworthiness Requirements Part-147 (SAR-147) course currently approved by Civil Aviation Authority of Singapore (CAAS).

Nitec in Applied Food Science

Have you wondered how new food is created, tested, manufactured, packed and finally served on your plate?

Well, you can discover and experience the answer in this course! You will learn how new food is developed, analysed, processed, packaged and served, while adhering to strict regulatory requirements in the food industry.

Nitec in Applied Food Science graduates are employed by companies in food manufacturing and food and beverage (F&B) sectors where they could contribute significantly in ensuring resilient, safe and quality food supply for consumers. Some of the job titles held by graduates include Food Technician, Food Production Technician and Food Processing Technician.

Nitec in Asian Culinary Arts

Still trying to figure out what ingredients went into the fantastic dinner you had last night?

Fire up taste buds with the *Nitec in Asian Culinary Arts* course! Learn to cook exciting Asian cuisine, such as Chinese, Japanese and South East Asian dishes! You will be trained in an Asian kitchen (non-halal) using various cooking methods such as braising, steaming, deep-frying, pan-frying and stir-frying with a wide range of meats (such as poultry, pork, beef, game meat, fish and seafood) and alcoholic items.

This course includes a six-month enhanced internship at one of the many renowned restaurants and hotels that ITE partners with.

Nitec in Asian Culinary Arts graduates are employed by food and beverage establishments and hotels. Some of the job titles held by graduates include Assistant Cook and Commis Cook.

Nitec in Built Environment (Mechanical & Electrical Services)

Do you know that a building needs to be serviced, inspected and maintained regularly in order to preserve its good health? You can be the ‘doctor’ of a building!

Buildings are increasingly becoming more sophisticated and incorporating the latest cutting-edge technologies. Great opportunities and a stable career awaits those who have the relevant technical skills in this challenging and exciting field of building services maintenance.

You will join a team of highly demanded building specialists. Be the first to “diagnose” problems and provide first line and planned maintenance for buildings. You will learn to undertake servicing work on building systems such as air-conditioning systems, intelligent building management system, as well as fire detection and protection systems.

Nitec in Built Environment (Mechanical & Electrical Services) graduates are employed by companies providing building management and maintenance services in private residences, offices, malls, hotels, airports and integrated resorts. Some of the job titles held by graduates include Building Maintenance Specialist, Building Services Specialist and Air-Conditioning Engineering Specialist.

Nitec in Business Services

You could be working anywhere: corporate entities, government agencies, schools, hospitals, you name it!

You could play an important role in any organisation by taking up this course. You will learn to handle front office duties, sales engagements, organise business events, and provide service recovery in business functions. If you enjoy going the extra mile for your clients, this is definitely the course for you!

With the expanding digital economy, services are becoming increasingly seamless. Acquiring comprehensive knowledge and skillsets have become vital for a successful career in the service industry.

You will be kept abreast of the fast-changing digital landscape through modules like Introduction to Data Analytics & Cyber Security, Social Media Marketing and Customer Relationship & System.

Nitec in Business Services graduates are employed in many sectors. Some of the job titles held by graduates include Executive Assistant, Sales Coordinator, Receptionist, Telesales Executive and Customer Service Representative.

Nitec in Chemical Process Technology

Join us and discover the wonders of bio-pharma and chemical sciences!

This course prepares you for a profession in the bio-pharma and petrochemical processing field. You will acquire current and emerging skills to convert basic raw materials into useful intermediates or products such as fuels, plastics, cosmetics, vaccines and medicines.

This course focuses largely on operating, monitoring and controlling of continuous and batch processes. It also incorporates in-depth learning of the safety and health management system, as well as the knowledge in environmental and product quality control.

Nitec in Chemical Process Technology graduates are employed by companies in the bio-pharma and petrochemical industries. Some of the job titles held by graduates include Process Technician, Plant Technician, Operation Technician and Maintenance Technician.

Nitec in Community Care & Social Services

You love to extend your helping hands to others in need and want to do your part for the society.

If this statement describes you, you should join the *Nitec* in Community Care & Social Services course and you will learn to plan and implement community-based activities/events, and organise and facilitate meaningful activities for clients/patients and their families. You will also learn to provide assistance in the rehabilitation, care and support of clients/patients.

Nitec in Community Care and Social Services graduates are employed in Nursing Homes, Community Hospitals, Community Rehabilitation Centres, Integrated Rehabilitation Centres and Day Care Centres. Some of the job titles held by graduates include Social Service Assistant, Assistant Programme Coordinator, Programme Assistant, Assistant Welfare Officer and Activities Officer.

Nitec in Digital & Precision Engineering

Have you wondered how parts of an appliance are being manufactured? Learn about it and apply the latest digital-enabling technologies and engineering applications to make the part.

Join us and learn how digital and smart technologies which are part of our daily lives can be used in a 'Smart factory'. In this course you will gain the skills necessary to manufacture tools and components through precision engineering assisted by mixed and virtual reality technologies, as well as train in digital manufacturing systems using mobile devices to monitor machines and deployment of Autonomous Mobile Robots for material delivery.

Nitec in Digital & Precision Engineering graduates are employed by high value manufacturing industries, in particular the Aerospace, Medical Manufacturing, Oil & Gas, Precision Modules & Components and Machinery & Systems sectors. Some job titles held by graduates include Manufacturing Specialist, CNC Programmer, CAD/CAM Specialist and Engineering Technician.

Nitec in Electrical Technology (Power & Control)

Can you imagine how chaotic our life will be without electricity? You could be the important person to depend on for reliable and quality power systems.

Apply for this course and be an expert in installing, maintaining, operating and troubleshooting electrical installations, control circuits, electrical equipment and systems in domestic premises, commercial buildings and industrial plants as well as maintain sustainable energy systems involving Photovoltaic Solar System, EV charging installation and Smart Homes.

Nitec in Electrical Technology (Power & Control) graduates are employed by government departments, statutory boards, electricity generation, transmission and distribution companies, manufacturing plants, and companies dealing in M&E consultancy services, electrical engineering works and building services. Some of the job titles held by graduates include Electrical Technician, Electrical Installation Technician, Electrical Power Technician and Electrical Equipment Manufacturing. Graduates with 2 years of relevant work experience are eligible to apply for Licensed Electrical Worker (LEW) licensed Electrician issued by the Energy Market Authority, which qualifies one to work, test and endorse a completed electrical installation up to 45kVA.

Nitec in Hospitality Operations

Want to unearth the art of hospitality and serve delightfully?

This course focuses on the technical skills of food and beverage service and provides students with the foundation knowledge of effective management of hospitality operations on hotel guest services and housekeeping. Students will experience a combination of food and beverage theory reinforced by practical sessions. There will be emphasis on the interpersonal skills needed to manage service situations and their impacts on the customers. Students will understand and appreciate the critical areas of effective hospitality operations. Areas of training include skills essential to food and beverage service, with a focus on developing barista and mixology skills and knowledge, appreciation of food and its different ingredients, exposure to events and conventions and an introduction to hotel guests services and facility maintenance.

Students in the *Nitec* in Hospitality Operations will also undergo a six-month enhanced internship with one of the many hospitality establishments that partner with ITE. Our work-ready and world-ready graduates are sought after by many hospitality and service establishments. Some job titles held by graduates include F&B Captain, Bell Captain, Guest Service Agent, Mixologist, Barista and Commis Sommelier.

Nitec in Mechanical Technology

You have always been interested in machines. You have the desire to do something hands-on and even take things apart just to satisfy your curiosity.

If these statements describe you, you should apply for this course! You will learn to install, service, troubleshoot and repair machinery, pumping systems, pneumatic and hydraulic systems, perform computer-aided design & drafting, 3D Printing, Internet of Things (IoT), predictive maintenance of engineering system and rectification of basic electrical faults. In the workplace, you will ensure the smooth and efficient operation of machinery and engineering equipment by carrying out preventive and predictive maintenance, inspection as well as re-conditioning of machine parts.

Nitec in Mechanical Technology graduates are employed by diverse industries such as Automation Processes, Aerospace, Automotive, Oil & Gas and Manufacturing (Precision Engineering) related industries. Some job titles held by graduates include Maintenance Technician, Mechanical Engineering Technician and Industrial Machinery Technician.

Nitec in Mechatronics & Robotics

Are you amazed with what autonomous machines such as automated guided vehicles, driverless cars and robots can do and how they work? Looking for courses that offer wide range of exciting career opportunities or further study choices? If you are, this 3-in-1 course is for you!

Mechatronics & Robotics is a 3-in-1 course, a composition of mechanical, electrical/electronics and microcomputer controlled system, integrated with robots to equip you with essential knowledge and skills of the multidisciplinary fields to enable you to install, set up, operate, maintain and service industrial automated production equipment and systems. You will also learn to perform computer-aided drafting and design, construct and assemble mechanical support, and rectify basic electronics and electrical faults.

Nitec in Mechatronics & Robotics graduates are generally employed by companies in the high-technology automation engineering and servicing industries. Some of the job titles held by graduates include Automation Technician, Automated Equipment Maintenance Technician and Mechatronics Technician. The increasing demand in widely used robotics and automation technology in healthcare, construction, manufacturing and logistics industries enhances the career opportunities and prospects for Mechatronics & Robotics graduates.

Nitec in Nursing

Nursing - The Caring Heartbeat of Our Nation.

Be a part of an extraordinary profession – Nursing, join the *Nitec* in Nursing course. The healthcare industry is growing with a wide range of career opportunities for school leavers. You will learn to assist in administering medications, perform specific nursing procedures, treatment orders and teach patients self-care. - **Home and Mobile Phone and Email**
Please update your home, mobile phone number and email address through the Internet where applicable when you apply for ITE courses. You are advised to provide a valid mobile phone number and email address to facilitate correspondence by ITE.
- **Home / Mailing Address and Postal Code**
Please update your home / mailing address through the Internet where applicable when you apply for ITE courses.
- **National Service (NS) Status**
Please update your NS status through the Internet where applicable when you apply for ITE courses. For NS deferment requirement, please refer to details on page 3.

Part 2 - Choice of Training

If you opt for **FULL-TIME TRAINING**, you can select up to 12 choices of Courses and Colleges. Before making your choices, you are advised to:

- Read the information on courses offered.
- Visit ITE website: <https://for.edu.sg/nitec-and-3-year-higher-nitec-courses> for further information on ITE courses.
- Make sure that the courses you choose are the ones you are eligible for.
- Make sure that you are free from **colour appreciation deficiency** if the course you are applying for has this requirement (see Note ② on page 13).
- Enter your choices in **order of preference**.

Use pages 10 to 12 to help you fill in the **correct Course and College codes** of your choice of Courses and Colleges.

Guide to Internet Application for JIE ‘O’ Full-Time 3-Year Higher Nitec / 2-Year Nitec Courses

Please follow the instructions given carefully. You may also refer to the screenshots (for Steps 1 to 6) on the next page.

- **Microsoft Edge and Google Chrome** are recommended. Mobile devices are not recommended.
- Go to <https://www.ite.edu.sg> and click on the ‘**Apply for ITE Courses**’ link to view the list of intake exercises.
- Click on ‘**For GCE ‘O’ Applicants (JIE ‘O’)**’ under ‘**Full-Time 3-Year Higher Nitec / 2-Year Nitec Courses (Jan 2023 Intake)**’.
- Click ‘**Apply Now**’ to link you to the application website. You may click the links to other ITE webpages to find out more about ITE courses and Colleges before you make your application.

Step 1

- Enter your NRIC / FIN and Date of Birth.
- Click ‘**I WANT TO SUBMIT AN APPLICATION**’.
(or you may also apply using Singpass)

Step 2

- Read instructions on the screen.
- You must pass the colour vision test if you wish to apply for **Aerospace Avionics; Aerospace Technology; Applied Food Science; Built Environment; Chemical Process Technology; Electrical Technology (Power & Control); Electronics Engineering; and Mechatronics & Robotics** courses. To find out if you are free from colour appreciation deficiency, go to <https://colormax.org/color-blind-test/> to do a self-check.
- Otherwise, click ‘**NEXT**’ to proceed.

Step 3a

- Check through the particulars displayed on the screen. You may make changes to your NS status (if required).

You are to report to your posted college to register for your course on the date and time stipulated in your Enrolment Letter. A copy of the Enrolment Letter will be sent to your personal email provided during application.

Please click [HERE](#) to obtain instructions to view your fees payable and the payment modes.

If you do not pay your first term fees by 25/01/2023, you will be deemed to have forfeited your training place and the training place will be offered to other eligible applicants appealing for a place in the course.

IF YOU ARE AN INTERNATIONAL STUDENT

You are required to obtain clearance from the Immigration & Checkpoints Authority (ICA) for issuance of Student Pass to study in ITE. Details on the procedure to apply for Student Pass will be sent to you separately.

Your enrolment in the **HNitec Electronics Engg 3yrs course at ITE College West** has been **confirmed**. You are now leaving the course acceptance webpage. Please click on the button below to proceed to the next stage.

APPLY FOR FINANCIAL ASSISTANCE / UPLOAD PHOTO / SUBMIT PSEA SO FORM

If you do not have the info to apply for financial assistance, do photo upload and submit online PSEA SO form, you can do the submission later at <https://myportal.ite.edu.sg/regsubmission> from the next day after you have accepted the course offer.

Only for applicants who are eligible for financial assistance

After completing course acceptance, you will also receive an **acknowledgement email** at your personal email provided in the course acceptance:

Dear ZZZZZZZZ

This is to confirm that you have accepted offer for HNitec Electronics Engg 3yrs course in ITE College West for 2023 January intake.

This is a system generated email. Please do not reply to this email. If you need further assistance, please approach any of the ITE Customer & Visitor Centre

Stage 2 – Bursary/Financial Assistance Application (only for those who are eligible for bursary/financial assistance) / Photo Upload / Submit PSEA SO Form

Step 8: If you are eligible for bursary/financial assistance, click on ‘Apply for Financial Assistance/Bursary’ and continue from Step 9 at the next page.

Otherwise, click on ‘Photo Upload’ and continue from Step 12 at page 42.

 My Enrolment

You have accepted the offer of an ITE full-time course.

Please click the buttons below to apply for financial assistance, upload your photo and submit the online PSEA Standing Order Form. If you do not have the info at this point, you can do the submission later at <https://myportal.ite.edu.sg/regsubmission> from the next day after you have accepted the course offer. You are advised to complete all submissions before the end of the College registration exercise.

	If you are a Singapore Citizen, you can apply for a bursary or financial assistance if your Gross Monthly Household Income (GHI) is \$10,000 or below, or if your Gross Monthly Household Per Capita Income (PCI) is \$2,500 or below. Your PCI is calculated by dividing the total gross monthly income of immediate and non-immediate family members staying in the same household (i.e. with same home address) by the total number of immediate family members, and non-immediate family members living in the same household.
	All applicants are required to upload a passport size photo for the application of ITE Student Concession Card.
	For Singapore Citizens who would like to use PSEA to make fee payment for ITE full-time courses. If you are below 21 years of age, your parent/legal guardian will need to submit the online PSEA SO form on your behalf at https://for.edu.sg/psea-iteso using his/her Singpass. If you are at least 21 years of age, you can use your Singpass to access https://for.edu.sg/psea-iteso to submit the online PSEA SO form. Singpass account can be registered at https://www.singpass.gov.sg . An acknowledgement email will be sent to the email address provided in the PSEA SO form upon submission. You can call the PSEA hotline number (62600777) to check your PSEA balance.

If you require further assistance, please approach your College when you report to ITE for the College registration exercise and training.

Click 'Exit' to end the session.

Step 9: Fill in the relevant information online and click **‘Submit’**. After submitting the application for bursary/financial assistance, you will be notified via email on the procedure to provide one supporting income document (e.g. latest payslips of not more than 3 months old or CPF contribution statement or latest income tax statement or letter from employer indicating income) for each working adult to complete your application for bursary/financial assistance.

To apply for Bursary / Financial Assistance, please provide the information of family members staying with you in the same household, in the table below. Both your parents' information is compulsory and must be completed.

I would like to apply for ITE's Bursary / Financial Assistance. Details of family members staying with me are as below:

<input checked="" type="checkbox"/>	Name of Family Member	Relationship	Age	Occupation/School	Marital Status	Gross Monthly Income
<input checked="" type="checkbox"/>	AAAAA	Father	45	Security Officer	Married	1500

Instructions to Successful Applicants Who Have Accepted 3-Year *Higher Nitec* or 2-Year *Nitec* Course

For Singapore Citizens/Singapore Permanent Residents

You are required to report to your posted College on **Wed 25 Jan 2023** to register for your course and commence training. The Enrolment Letter, which contains registration details, will be sent to the email address that you have provided during application. You can also view your Enrolment Letter by following these steps: Login with your User ID and Password at <https://istudent.ite.edu.sg> > Click 'Self Service' > 'Student Admission' > 'View Enrolment Letter'.

The 1st term fees payable is indicated on page 93. For your convenience, you may pay your 1st term fees via a number of payment modes which is explained from page 91. **If you do not pay your fees by Wed 25 Jan 2023, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.**

For successful *Higher Nitec* in Sport Management (3 years); *Nitec* in Asian Culinary Arts; *Nitec* in Community Care & Social Services; *Nitec* in Hospitality Operations; *Nitec* in Nursing; *Nitec* in Pastry & Baking; and *Nitec* in Western Culinary Arts applicants who have passed the medical examination, you are required to submit your medical report when you report at your College.

You are to report to your posted College on **Wed 25 Jan 2023 at the time as indicated in your enrolment letter**, in white top and black bottom to commence training. Please bring your NRIC on that day.

For International Students

You are required to apply for a Student Pass via SOLAR+ by **Wed 25 Jan 2023**. A separate letter will be sent via email to inform you of the details. **Your admission to the course is subject to clearance by the Immigration & Checkpoints Authority (ICA) for the issuance of a Student Pass to study in ITE.**

Upon obtaining your Student Pass, you are to pay your 1st term fees and register for the course at the Customer & Visitor Centre of your posted College. You are also required to submit the completed Application Form for InterBank GIRO (attached at the end of this booklet) for payment of subsequent term (i.e. from Jul 2023 term) fees and medical report (if you are posted to a course that requires medical examination). The payment modes are explained from page 91 and the 1st term fees payable are indicated on page 93. You are allowed to commence your training only after you have obtained the Enrolment Letter from the Customer & Visitor Centre of your posted College, paid your 1st term fees and submitted the completed Application Form for InterBank GIRO.

If you do not report to the College to commence training by **Mon 13 Feb 2023**, your training place will be withdrawn and offered to other eligible applicant appealing for a place in the course.

The courses for January 2023 term will start on **Wed 25 Jan 2023**.

Change of Citizenship

Fees are charged based on Citizenship at the point of term commencement. Students who have officially informed ITE of their Citizenship change to Singapore Citizen or Singapore Permanent Resident before the term commencement will have their fees adjusted to the Singapore Citizen / Singapore Permanent Resident rate for that term. However, for students who inform ITE officially of their Citizenship change to Singapore Citizen or Singapore Permanent Resident after the term commencement, their fees will be adjusted to the Singapore Citizen / Singapore Permanent Resident rate only with effect from the next term.

INSTRUCTIONS ON APPEAL FOR ADMISSION OR TRANSFER (FOR JIE 'O' INTAKE EXERCISE)

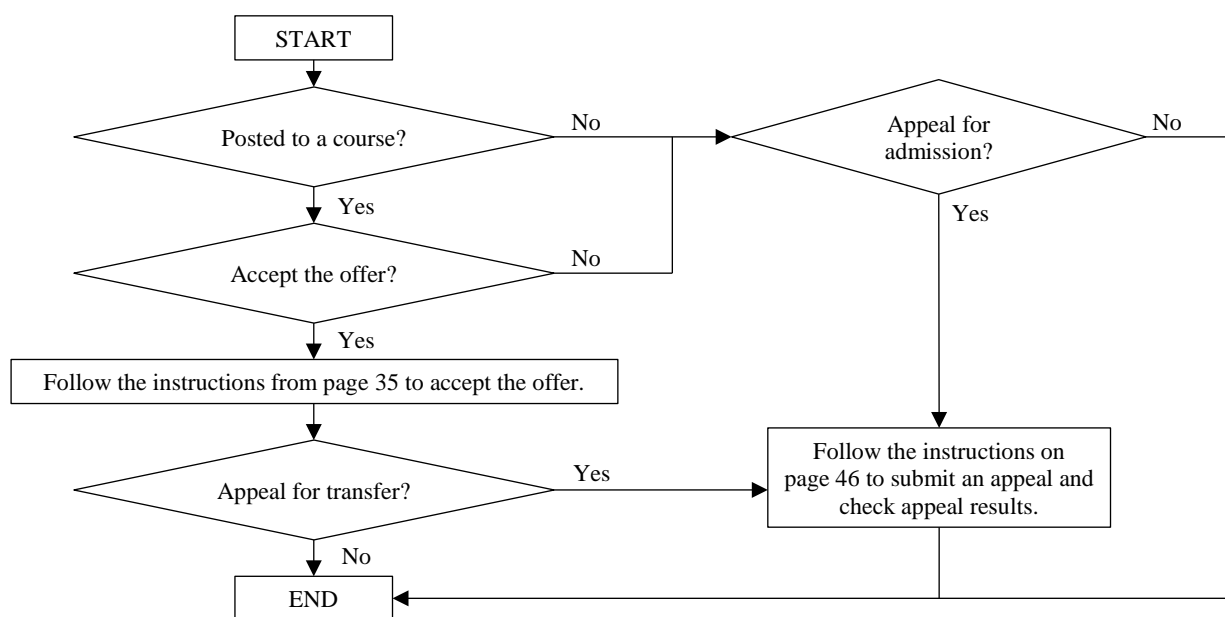

If you are offered a full-time course, you are advised to accept it through the Internet before appealing for a change of course or College. Otherwise, your place will be offered to those who are eligible and have appealed for the course. To appeal for transfer to another course, you should accept the course offered and submit another online application. If you require course advising, you may make an appointment online with one of our ECG Counsellors via <https://for.edu.sg/ecg>.

If you have applied and are **not offered a course**, you may submit an appeal for admission through the Internet for the courses you are eligible to appeal for. Alternatively, you may consider applying for a Traineeship course. For more details on Traineeship courses and application procedure, please go to pages 103 to 115.

You have to submit your appeal from **Thu 19 Jan 2023**. Please note that you must meet the minimum entry requirements for the course before you can submit your appeal. While all eligible appeals will be given due consideration, meeting the minimum entry requirements does not guarantee you a place in the course, as admission is also subject to available vacancies in open competition.

If you encounter difficulties submitting your appeal for a full-time course over the Internet, please call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 117 for assistance within the application/appeal period.

Procedures for appeal are shown in the following flowchart:

Guide to Internet Appeal for Admission to Full-Time 3-Year *Higher Nitec* / 2-Year *Nitec* Courses for GCE 'O' Level Holders

Please follow the instructions below carefully:

- **Microsoft Edge and Google Chrome** are recommended. Mobile devices are not recommended.
- Go to <https://www.ite.edu.sg> and click on the '**Apply for ITE Courses**' link to view the list of intake exercises.
- Click on '**For GCE 'O' Applicants (JIE 'O')**' under '**Full-Time 3-Year *Higher Nitec* / 2-Year *Nitec* Courses (Jan 2023 Intake)**'.
- Click '**Apply Now**' to link you to the application website.

Step 1

- Enter your NRIC / FIN and Date of Birth.
- Click '**I WANT TO SUBMIT AN APPLICATION**'.
(or you may also apply using Singpass)

Step 2

- Read instructions on the screen.
- You must pass the colour vision test if you wish to apply for: **Aerospace Avionics; Aerospace Technology; Applied Food Science; Architectural Technology; Automotive Technology; Built Environment; Chemical Process Technology; Digital Animation; Electrical Technology; Electronics Engineering; Fashion Apparel Production & Design; Interior & Exhibition Design; Mechatronics & Robotics; Product Design; Rapid Transit Technology; Security System Integration; Urban Greenery & Landscape; Video Production; and Visual Communication** courses. To find out if you are free from colour appreciation deficiency, go to <https://colormax.org/color-blind-test/> to do a self-check.
- Otherwise, click '**NEXT**' to proceed.

Step 3

- **Enter your choice of course.**
- After that, click '**SUBMIT**'.

Step 4

- Click '**YES – SUBMIT**' to confirm and submit your application.

Step 5

- You will see on the screen a verification slip with the choice you have made and your web ID and password. Click '**PRINT**' at the bottom of the page to **print a copy of the verification slip for your reference**. You will need your web ID and password to view the result of your application.

You are allowed to make changes to your application only once over the Internet. Please follow the instructions in the verification slip for making changes to your application over the Internet. For subsequent changes to application, you have to call or email to any of the Customer & Visitor Centre of ITE Colleges listed on page 117 for assistance within the application/appeal period.

Result of Appeal

You must check the result of your appeal at <https://istudent.ite.edu.sg> using the given web ID and password between **Thu 19 Jan 2023 and Tue 14 Feb 2023** (any change in date will be communicated over the web). You need not call or write to ITE about your appeal before the results are released.

FULL-TIME 2-YEAR *HIGHER NITEC* COURSES AND ENTRY REQUIREMENTS

To be eligible for consideration for admission to the 2-Year *Higher Nitec* courses under JAE, applicants must have the minimum results as shown in the table of courses for this section. To apply under the Main-Phase JAE application period conducted by MOE, applicants must also have sat for at least 5 GCE ‘O’ level subjects over a maximum of 2 years. Otherwise, applicants could apply under the Final JAE ITE Appeal period in second half of February 2023. CCA cannot be used to meet the minimum entry requirements.

The “**Net Aggregate Range for Previous (2022) JAE**” in the table below shows the **net aggregate scores of the highest to lowest ranked students who were admitted to these courses in the 2022 Joint Admissions Exercise (JAE)**. These aggregate scores are meant as a reference for applicants applying to these courses, and **do not** constitute the admission scores for subsequent admission exercises. The net aggregate scores for the courses are not pre-determined by MOE or ITE before posting. The eventual course aggregate scores for the 2023 JAE may vary from previous years, depending on students’ GCE ‘O’ Level examination results and their course choices during the JAE.

ITE COLLEGES:

 CC-AM: ITE College Central
at Ang Mo Kio Drive

 CE-SM: ITE College East
at Simei Avenue

 CW-CK: ITE College West
at Choa Chu Kang Grove

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via <https://for.edu.sg/ecg>.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via <https://for.edu.sg/LAO> before selecting their choice of application.

Notes:

- ① In line with industry requirements, applicants applying for these courses should ensure that they do not have colour appreciation deficiency. Colour Vision Test will be conducted for applicants enrolled into these courses. Colour Vision Test is available over the Internet at <https://colormax.org/color-blind-test/> and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you have colour appreciation deficiency.
- ② Applicants applying for this course have to pass a pre-admission medical examination.
- ③ Applicants applying for *Higher Nitec* in Early Childhood Education have to pass a pre-admission medical examination to enter the course. In addition, to ensure the well-being and safety of children, the Early Childhood Development Agency (ECDA) requires all pre-school staff to be certified medically fit to work with young children. More details on the medical examination can be found at <http://bit.ly/NIECmedical>.
The *Higher Nitec* in Early Childhood Education is awarded by the National Institute of Early Childhood Development (NIEC) in collaboration with Institute of Technical Education.
- ④ In line with industry requirements, applicants applying for this course should ensure that they do not have acrophobia.
- ⑤ For all courses:
 - (I) The 2-year *Higher Nitec* courses comprise 3 or 6 months of Industry Attachment.
 - (II) As all ITE courses will incorporate online learning as part of lesson delivery, students are advised to have access to a PC/Laptop for their learning. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions. For details, turn to page 98.

MOE JAE COURSE CODES AND ITE COURSE CODES

- ⑥ MOE codes are used for applications submitted online through the MOE JAE Internet System (JAE-IS) and appeals submitted online through the Combined Polytechnic-ITE JAE Appeal Portal. The JAE-IS is accessible through the JAE website at <https://www.moe.gov.sg/jae> during the JAE registration. Appeals could be submitted through the Combined Polytechnic-ITE JAE Appeal Portal at <https://jaeappeal.edu.sg> within 4 working days following the release of JAE posting results by MOE.
- ⑦ ITE course codes are used for appeals submitted online through the ITE website at <https://www.ite.edu.sg> during the final appeal phase [between Mon 20 Feb 2023 (9am) and Mon 10 Apr 2023 or between Thu 13 Apr 2023 and Fri 28 Apr 2023] after the release of the Combined Polytechnic-ITE JAE appeal posting results.

JAE AGGREGATE COMPUTATION

⑧ The aggregate computation for admission to *Higher Nitec* courses are shown in table below. Grades for both Higher Mother Tongue Language (viz. Higher Chinese, Higher Malay and Higher Tamil) and Mother Tongue Language (viz. Chinese, Malay and Tamil) cannot be used in the same aggregate computation. “Merit” and “Pass” grades for the Mother Tongue ‘B’ Syllabus (viz. Chinese ‘B’, Malay ‘B’ and Tamil ‘B’) cannot be used for the computation of aggregate points. The “R2” in ELR2B2 refers to 1 subject from “1st Group of Relevant Subjects” and 1 subject from “2nd Group of Relevant Subjects”.

COURSE SYNOPSIS AND CAREER PROSPECTS

(Please visit ITE website: <https://www.ite.edu.sg> for more information on the course curriculum and graduate employment survey results)

Higher Nitec in Accounting

Understand a business through numbers.

In this course, you will learn to prepare final accounts and cost accounts for various entities. You will also learn to use accounting software and apply accounting concepts to different business scenarios.

Higher Nitec in Accounting graduates are employed by government agencies, statutory boards and private sector companies. Some job titles held are Accounts Assistant, Accounts Associate and Finance Assistant. Graduates can advance in their careers (e.g. Accounts Executive, Senior Accounts Executive) once relevant experience and higher-level accounting skills are acquired.

Higher Nitec in AI Applications

Be part of the future workforce.

“We are now entering the age of AI, a time when machines are using algorithms that give them superhuman abilities.”

Naveen G. Rao, VP & General Manager,
AI Products Group, Intel

If you are keen to be part of this exciting AI-enabled future, this is the course for you.

We work closely with leading AI technology companies, and our AI Labs are equipped with the latest industry AI technologies. You will have a chance to be skilled with AI-enabled drones, service robots, and even scaled-down self-driving (autonomous) cars. There will be opportunities to participate in joint AI projects with China, India, South Korea, and United States.

Graduates from *Higher Nitec* in AI Applications can expect to start a career in the government and private sectors that leverage AI for businesses and operations. Some of the job titles may include Associate AI Engineer, AI Specialist, and AI Technician.

Higher Nitec in Architectural Technology

Have you ever wondered how a house or a building is planned, designed and coordinated?

Take up the *Higher Nitec* in Architectural Technology course and learn how you can be part of the architectural design team to execute building design through architectural detailing and specifications, prepare architectural project documentation, check compliance with industry standards, codes and regulation, with appropriate building design technology to enhance building productivity.

Higher Nitec in Architectural Technology graduates are employed to provide technology support in building industry primarily in architectural firms and government agencies. Some of the job titles held by graduates include Architectural Technical Executive, Architectural Project Coordinator and BIM Design Coordinator.

Higher Nitec in Beauty & Wellness Management

A professional who brings confidence and wellness to others.

In this course, students will get an opportunity to learn the secrets of looking radiant and achieving wellness beyond aesthetic appearance. You will be equipped with skills and knowledge that will enable you to be a confident professional in the beauty and wellness industry.

Students will be trained in performing a full range of beauty services, including make-up, aesthetic treatments, aromatherapy, and understanding the latest technologies used by industry professionals. Modules such as Diet & Nutrition and Lifestyle & Wellness will provide you with a deeper understanding and appreciation of personal wellness. You will also be equipped with essential salon management skills and training which will enable you to be digitally-ready for the industry.

The *Higher Nitec* in Beauty & Wellness Management course is an opportunity for aspiring graduates to embark on a professional career in the beauty and wellness industry. Career opportunities include Beauty Therapist, Spa Therapist, Wellness Consultant, Aesthetic Clinic Assistant, Salon Supervisor, and other Beauty and Wellness related job functions.

Higher Nitec in Biotechnology

Have you ever imagined what is happening inside a living organism? Let us bring you into the life of a living microorganism.

In this course, you will learn to perform biochemical and microbial tests, as well as to identify and culture micro-organisms. You will also learn advanced topics such as molecular biology where you will handle the blue-print of life, DNA.

Higher Nitec in Biotechnology graduates are well-suited for employment in a research and development department or quality control laboratory in the biopharmaceutical, biotechnology, chemical, food, healthcare services and urban farming sectors. Their roles include performing a wide range of laboratory procedures and technical functions to support researchers or analysts. Some of the job titles held by graduates include Laboratory Technician and Laboratory Assistant.

Higher Nitec in Business Information Systems

Do you aspire to bloom and boom in business operations and infocomm technology?

You will have the opportunity to experience the best of both worlds and excel at them. Apply for this course and learn to develop the IT skillsets and competencies to support IT related systems and infrastructure in business operations and functions. It covers Business Enterprise Systems, Server Administration, Computer Networking, Database and Applications, Software Development, Virtualization and PC Maintenance.

Higher Nitec in Business Information Systems graduates may be employed by government departments, private sector companies and independent software vendors. Some of the job titles held by graduates include Business Information Systems Specialist, IT Technical Support Specialist, Web Developer, Associate System Administrator, Desktop Support Engineer and ERP Support Engineer.

Higher Nitec in Chemical Technology

Have you ever wondered what the components present in a bottle of perfume are?

If you are interested in extracting, isolating and identifying chemicals in a laboratory environment, you should take up this course now! You will learn to conduct and analyse chemicals using various wet chemistry techniques such as volumetric titration, liquid-liquid extraction and advanced analytical instrumentation techniques such as spectroscopy and chromatography.

Higher Nitec in Chemical Technology graduates are suitable for a career in the research and development department, quality assurance or quality control laboratories in the food, chemicals, petrochemicals, pharmaceutical, and urban farming sectors. Some of the job titles held by graduates include Laboratory Technician and Laboratory Assistant.

Higher Nitec in Civil & Structural Engineering Design

Are you fascinated by how Digitization and Emerging Technologies such as Building Information Modelling (BIM) software, DfMA and 3D Printing have revolutionised the way buildings will be designed, produced and constructed?

Digitization has revolutionised the way our buildings and infrastructure being designed and constructed.

Ride on this digital wave as you will learn to use Building Information Modelling (BIM) to design and create 3D models for buildings, steel structures, and civil engineering works. You will also be producing structural and civil engineering drawings according to specifications and the relevant Codes of Practice.

You will emerge as a specialist in BIM modelling or CAD designing, among many exciting careers that await you!

Higher Nitec in Cyber & Network Security

Are you game enough to be a cyber defender in securing our network servers and devices against online threats?

To cater to industry demand, the curriculum structure encompasses the specialised skills sets built upon broad-based foundation skills sets for the Infocomm Technology (ICT) sector. Join this course and be a champion for security to enhance cybersecurity defence for businesses. You will learn to support cyber security operations in end-user devices, network, and server in an enterprise IT / cloud environment for cyber security services. You will also learn to analyse security-related events and escalate incidents for validation and remediation.

Higher Nitec in Cyber & Network Security graduates are employed in public and private sector organisations to administer networks and operating systems, monitor the network for security events, assist to manage virtualization infrastructure and perform cyber security operations. Some of the job titles held by graduates include Cyber Security Associate, Technical Support Associate, IT Security Specialist, Network Security Specialist, Systems and Security Administrator.

Higher Nitec in Data Engineering

Data is the New Language!

Indeed, data is the new language that is critical for every business in this digital age. In this age of big data and AI, almost all businesses are being impacted by this new digitalisation wave. Through harvesting and harnessing data, companies can make informed decisions based on data analytics.

This course will provide students with digital skills and knowledge in data extraction, transformation, and loading functions to derive actionable and meaningful insights for improving business operations, thereby supporting data-driven industries.

Graduates from *Higher Nitec* in Data Engineering can expect to embark on a career in government and private sectors that leverage data for businesses and operations. Some of the job titles may include Associate Data Engineer, Associate Data Analyst, Data Technician, and Data Wranglers.

Higher Nitec in Early Childhood Education

Do you enjoy working with young children?

In this course, you will understand the key theories of child development and apply them in the early childhood industry. You will also learn how to manage young children's basic health and their nutritional and safety needs. In your quest to become an early childhood practitioner, you will be equipped with the knowledge and skills to plan and implement activities in kindergartens and childcare centres, and assist young children in their daily routines too!

Higher Nitec in Early Childhood Education graduates are employed by childcare centres and kindergartens. Some of the job titles held by our graduates include Early Years Educator and Assistant Preschool Educator.

The *Higher Nitec* in Early Childhood Education certification is awarded by the National Institute of Early Childhood Development (NIEC) in collaboration with the Institute of Technical Education.

Higher Nitec in Electrical Engineering

Electricity, the most convenient and useful form of energy which keeps modern cities running. It is one of the essential services with ever-changing needs.

This course will prepare you to perform a crucial role of ensuring electrical engineering and services are operational. This includes intelligent building control, renewable energy such as solar power and predictive maintenance driven by data analytics. New job opportunities are available to support the transport electrification such as electric vehicle charging infrastructure.

Higher Nitec in Electrical Engineering graduates are highly sought after and employed by government departments, statutory boards and private companies. Some of the job titles held by graduates include Electrical Engineering Technician, Electrical Power Technician, Electrical Supervisor, Engineering Assistant, Electrical & Electronics Marketing Executive, Instrumentation Technician and Production Supervisor.

This course is recognised by the Energy Market Authority (EMA) of Singapore for the application of an Electrician Licence.

Higher Nitec in Electronics Engineering

The key to the future of a smart nation is leveraging the fundamentals of IoT, AI, Automation, smart devices and systems.

Be immersed in the innovation and evolution of smart devices and systems (autonomous robotic systems, smartphones, wearables, home appliances, smart audio-visual systems and others). Gain strong foundations and essential skills in electronics and a good head start in your careers in numerous sectors:

- AI & Automation
- Audio Visual Systems
- IoT and Communications
- Microelectronics

Higher Nitec in Electronics Engineering sets your career in an industry with boundless opportunities in autonomous robotic systems, AI-Powered autonomous systems, audio visual systems, consumer electronics, Internet of Things (IoT), smart nation, communication systems, microelectronic manufacturing and semiconductor industries.

With strong industrial partnerships, our students are provided with a wide array of internship opportunities and projects collaboration. Our student-centric and authentic learning approaches produce highly skilled, versatile and professional graduates, who are greatly sought after by the industry.

Career opportunities include Engineering Assistant, Technical Specialist, Junior Autonomous Vehicle Engineer, Quality Technical Support, IoT Assistant Engineer, Audio Visual Specialist, Communication Equipment Assistant Engineer, Junior Robotics Engineer, Assistant Sales Engineer, Assistant Field Customer Engineer, Computer Services Assistant Engineer, Manufacturing Assistant Engineer, and Process Assistant Engineer.

Higher Nitec in Engineering with Business

Are you interested in pursuing a career that combines the acquiring of skills and knowledge of engineering with business concepts?

This course will provide you with the required skills and knowledge to carry out technical support functions in mechanical engineering design and operations, machine operations and maintenance, quality assurance, process improvements and productivity innovation. You will also acquire business fundamentals and concepts relevant to technical marketing, purchasing, logistics, sales and services.

Higher Nitec in Engineering with Business graduates are employed by high value manufacturing industries in consumer electronics, precision engineering and equipment/products/ components manufacturing companies. Some of the job titles held by graduates include Engineering Assistant, Manufacturing Engineering Technician, Production Supervisor and Quality Assurance Technician. They are also suitable to be employed as Sales Executives and Assistant Sales Engineers.

Higher Nitec in Facility Management

As buildings become smarter with Digitalisation and Internet of Things (IoT), what would it be like to be part of the team to manage these modern building facilities?

Facility Management is a rapidly growing profession in Singapore due to the growing demand for new building and infrastructure development. *Higher Nitec* in Facility Management graduates are employed directly by building owners or indirectly by facility management managing agents to provide integrated facilities management for our modern Built Environment. These facilities include airports, country clubs, integrated resorts, business & financial facilities, medical and health centres, leisure and entertainment hubs, hospitality and tourism attractions, as well as residential buildings.

Higher Nitec in Facility Management graduates will be able to take on jobs as Facility Officers, Facility Technical Officers, or Facility Executives. They can also take up the additional role of Fire Safety Manager if they have passed the Fire Safety Management elective module accredited by SCDF, or work towards being a Registered Workplace Safety & Health Professional with the Ministry of Manpower.

There are excellent opportunities for career advancement to supervisory positions and beyond.

Higher Nitec in Filmmaking (Cinematography)

Be a part of the production team for the exciting world of movies and entertainment productions.

Higher Nitec in Filmmaking (Cinematography) will equip you with the knowledge and technical skills in film production. This course focuses on camera, lighting and grip skills to achieve the required technical standards of motion-picture production setups, camera operations, cinematic lighting, production operations in movie, television drama and commercial productions.

Higher Nitec in Filmmaking (Cinematography) graduates are employed by film and television production companies for movie, episodic drama and advertising content productions. Some of the job roles held by graduates are Camera Operator, Camera Assistant, Focus Puller, Drone Operator, Data Wrangler, Lighting Crew, Production Grip, On-Location Sound Recordist and Production Assistant.

Higher Nitec in Financial Services

Master the financial services industry.

Designed for future financial professionals who want to make an impact in the banking and insurance sectors, the *Higher Nitec* in Financial Services course gives you a head start and provides you with the skills and knowledge in financial services for individuals and organisations.

As Singapore continues to thrive as an international financial hub, there are good employment opportunities. Graduates are skilled in a wide variety of functions, including banking and administrative support in banks and insurance companies.

Graduates are employed as Branch Customer Service Executive and Service Banker in banks, Underwriting and Claims Assistants in insurance companies and other financial institutions. There are opportunities for career advancement to supervisory positions and beyond.

Higher Nitec in Hospitality Operations

Do you see yourself leading a team of Hospitality Professionals in the near future?

When you enrol in the *Higher Nitec* in Hospitality Operations course, you will be equipped with service skills and knowledge that are sought after by the hospitality and tourism industry. Your learning will take place in ITE's authentic hands-on facilities that mirror those in the industry. You will gain knowledge in Front Office Operations, Executive Lounge Service, Housekeeping, Hospitality Data Analytics, Hospitality systems, Hospitality Events Management, and Customer Service.

Our programme includes a 6-month enhanced internship at one of the many establishments in the hospitality industry that partners with ITE.

Higher Nitec in Hospitality Operations graduates are employed by hotels and other establishments in the service sector. Some of the job titles held by graduates include Front Office Executive, Guest Relations Executive, Hotel Reservations Officer, Housekeeping Associate and Sales & Marketing Executive.

Higher Nitec in Human Resource & Administration

Flaunt your flair in communication and relationship building – discover the art and science of human resource management with us!

Human resource is the foundation of any successful business. Though the global business climate is rapidly evolving and there are uncertainties, knowledge and skills in human resource is more than ever a crucial function that will allow businesses to ride the tide through these challenging times.

In the *Higher Nitec* in Human Resource & Administration course, you will be trained through modules such as Talent Acquisition & Rewards, Learning & Talent Development, Employee Engagement & Retention and Cross-Cultural Intelligence. Students will be kept abreast of the fast-changing digital landscape through modules like Elementary Business Analytics & Cyber Security, Digital Commerce & Marketing and Customer Relationship Management.

A career in human resource opens windows of opportunities to small and medium enterprises and large multinational corporations. Options for in-depth skill specialisation are aplenty. HR Administrative Assistant, Payroll Assistant and HR Executive are just some of the exciting jobs available for you.

Higher Nitec in Immersive Applications & Game NEW

Be empowered to create in the world of digital immersion.

From ideation, conceptualisation to development, see your creations come to life in the digital world. Tap into your imagination and creativity as you learn to design and develop immersive and game applications to cater to various industries, including retail, education, healthcare, real estate, media and entertainment. This course also provides you with a foundation in gamification techniques and programming skills for building multi-platform immersive experiences.

Career opportunities include UI/UX Designer, Game Interface Designer, Junior Programmer (Game Technical Development), Interactive Content Developer or Tester. You can look forward to careers in both the ICT and Media sectors.

Higher Nitec in Integrated Mechanical & Electrical Design

Are you fascinated by how Digitization and Emerging Technologies such as Building Information Modelling (BIM) software, DfMA and 3D Printing have revolutionised the way buildings will be designed, produced and constructed?

Do you know what makes a modern building smart, comfortable and efficient? Are you keen in designing buildings mechanical & electrical (M&E) systems using Building Information Modelling (BIM) and AutoCAD software?

Be part of the Built Environment workforce equipped with the technical expertise to create smart sustainable green buildings that have adverse impact on our health and environment. Sign up for this course and you will be able to develop skills and competencies to design modern buildings systems such as Air-conditioning and Mechanical Ventilation, Electrical, Plumbing & Sanitary, as well as Fire Detection and Protection systems.

You will emerge as a specialist in BIM modelling (M&E) or CAD designing, among many exciting careers that await you!

Higher Nitec in Interactive Design

How to build your next bestselling app?

If you have been thinking of making your app idea a reality, then the *Higher Nitec* in Interactive Design course is the one for you. You will learn how to create engaging user interface (UI) and user experience (UX) design for apps and websites.

Higher Nitec in Interactive Design graduates are employed in the IT and Media design sectors, such as digital marketing, social media, e-commerce, and digital publishing. They held job titles such as Multimedia Designer, Interaction Designer and Digital Media Designer.

Higher Nitec in International Logistics

Discover your calling in the future of Logistics – the ultimate backbone of global trade!

Logistics plays a vital role in today’s economy. The success of a business is dependent on its logistics strategies and hence a skilled logistician is highly valued in any organisation. It is an industry that offers our graduates a wide range of job opportunities and promising career progression.

Higher Nitec in International Logistics will equip you with the trade skills and knowledge to handle import and export documentation, monitor custom clearance, coordinate international shipments, liaise with government authorities, carriers, agents and local/overseas customers, support procurement activities, support last mile operations, manage warehouse inventory and perform warehouse operations.

Students will also learn about Artificial Intelligence (AI) and Emerging Technologies in the logistics industry, Business Analytics, Digital Commerce & Marketing and Customer Relationship Management to enhance employability and stay future ready.

Higher Nitec in International Logistics graduates are employed by major logistics companies, supply chain solution companies, shipping agencies, distribution centres and warehouse operators. Some of the job titles held by our graduates include Logistics Coordinator, Warehouse Coordinator, Import Export Administrative Assistant, Customer Service Officer, Order Fulfilment Assistant, Shipping Coordinator, and Logistics Data Management Coordinator.

Higher Nitec in IT Applications Development

Develop solutions for the digital economy!

With the digital transformation that all industries are experiencing, the demand for Application Developers will continue to experience substantial growth in the coming decades.

In the *Higher Nitec* in IT Applications Development course, you will develop highly sought-after skills and capabilities to design, develop, deploy and maintain web and mobile applications to meet business objectives.

Higher Nitec in IT Applications Development graduates may be employed in various public and private sector organisations as Application Specialist, Application Developer, Application Programmer, Software Developer, Interactive Developer, UI/UX Designer and UI/UX Developer.

Higher Nitec in IT Systems & Networks

Are you enthusiastic about how computer systems communicate with other computers and peripherals in a networked environment? Do you want to know how to manage server operating system and implement secured wireless and wired networking environment?

Apply for this course and learn how to install and maintain secured computer network systems across different platforms.

Higher Nitec in IT Systems & Networks graduates can be employed by Information Technology (IT) users and supplier organisations. The IT users are public or private organisations using computer systems (networked or stand-alone) in their business operations. The IT suppliers are companies providing computer hardware / software and IT services. Some of the job titles held by graduates include IT Specialist, IT Technician, Network Support Specialist, IT Technical Support Specialist, Associate System Administrator, Desktop Support Engineer and Network Traffic Engineer.

Higher Nitec in Landscape Management & Design

Love nature and the great outdoors? Wonder how to build a City in Nature?

Join the transformation in landscape management! Learn about Horticulture, Arboriculture, Landscape Implementation and Maintenance, Landscape Management using Technology and Sustainable Landscape Design at our authentic facilities.

Our close collaboration with the National Parks Board (NParks) and the Landscape Industry Association Singapore (LIAS) provides great opportunities for learning beyond the classroom. You will be a part of the Student-Run Parks initiative in partnership with NParks, to redesign a park and to use technology to improve productivity in park maintenance. INSTRUCTIONS ON JAE APPLICATION, ACCEPTANCE AND APPEAL

The JAE intake has the following 3 phases:

- A) Main-phase application via MOE JAE website:
<https://www.moe.gov.sg/jae>
- B) Combined Polytechnic-ITE JAE appeal via Combined Polytechnic-ITE JAE appeal portal:
<https://jaeappeal.edu.sg>
- C) Final JAE ITE appeal via ITE website:
<https://www.ite.edu.sg>

Instructions on JAE application, acceptance and appeal are provided at pages 75 and 76. **In order to increase your chances of being offered a course of training, you are encouraged to indicate ITE courses as your choices of courses applied and/or appealed for.**

A) PHASE 1: MAIN-PHASE APPLICATION (MOE JAE)

Main-Phase Application Period

Main-phase JAE application for 2-year *Higher Nitec* courses can be submitted online at <https://www.moe.gov.sg/jae> over 6 calendar days following the release of 2022 Singapore-Cambridge GCE 'O' Level Examination results, starting from 3pm on the 1st day of application until 4pm on the last day of application. Please refer to MOE's JAE Information Booklet, accessible at <https://www.moe.gov.sg/jae>, for the application instructions.

Main-Phase Application Results

Selection for full-time courses is based on merit. The application results will be **released on Thu 2 Feb 2023 (9am) (tentative)**. You can check your application results online at <https://www.moe.gov.sg/jae>. If you are posted to an ITE course, ITE will email to inform you about the dates for registration.

Acceptance of Main-Phase Course Offer

If you are offered a full-time 2-year *Higher Nitec* course, you will receive an Enrolment email from ITE informing you on how to accept the offer and make payment for the course, at the email address provided in the JAE application on the day of release of JAE posting results. You must accept the offer online at <https://istudent.ite.edu.sg> **between Thu 2 Feb 2023 (9am) and Tue 7 Feb 2023 (4pm)**. Otherwise, your training place will be withdrawn and offered to other applicants. Please refer from page 77 for instructions to accept your course offer.

B) PHASE 2: COMBINED POLYTECHNIC-ITE JAE APPEAL

Combined Polytechnic-ITE JAE Appeal Period

To appeal for a change of ITE course or College, you should accept the main-phase course offer first at <https://istudent.ite.edu.sg> before submitting an online appeal via the Combined Polytechnic-ITE JAE Appeal Portal at <https://jaeappeal.edu.sg> within 4 working days [i.e. between Thu 2 Feb 2023 (9am) and Tue 7 Feb 2023 (4pm)] upon the official release of MOE JAE posting results. If you accept the main-phase offer, your original course will be kept for you if you are unsuccessful in your appeal for transfer. Please refer from pages 77 to 86 for details.

If you have taken part in the 2023 MOE JAE and **have not been offered a full-time course**, you may submit an online appeal for admission via the Combined Polytechnic-ITE JAE Appeal Portal at <https://jaeappeal.edu.sg> within 4 working days upon the official release of MOE JAE posting results. Please refer to page 87 for details.

Combined Appeal Results

Appeals are considered based on eligibility, merit and vacancies. The appeal results will be **released on Mon 20 Feb 2023 (9am) (tentative)**. You can check your appeal results online at <https://jaeappeal.edu.sg>. If you are posted to an ITE course, you will be informed by ITE about the registration dates via email at the email address registered under your Combined Polytechnic-ITE JAE appeal account.

Acceptance of Combined JAE Appeal Course Offer

If you are offered a full-time 2-year *Higher Nitec* course, you will receive an Enrolment email from ITE informing you on how to accept the offer and make payment for the course, at the email address registered under your Combined Polytechnic-ITE JAE appeal account on the day of release of JAE appeal posting results. You must accept the offer online at <https://istudent.ite.edu.sg> **between Mon 20 Feb 2023 (9am) and Wed 22 Feb 2023**. Otherwise, your training place will be withdrawn and offered to other applicants. Please refer from page 77 for instructions to accept your course offer. If you have already accepted a 2-year *Higher Nitec* course offer online at www.ite.edu.sg between Thu 2 Feb 2023 and Tue 7 Feb 2023, you need not accept your appeal offer as your ITE place will be confirmed automatically.

C) PHASE 3: FINAL JAE ITE APPEAL

Final JAE ITE Appeal Period

To appeal for a change of ITE course or College, you should accept the combined appeal course offer first at <https://istudent.ite.edu.sg> **between Mon 20 Feb 2023 (9am) and Wed 22 Feb 2023** before submitting an online appeal for transfer at <https://www.ite.edu.sg> between Mon 20 Feb 2023 (9am) and Mon 10 Apr 2023 or between Thu 13 Apr 2023 and Fri 28 Apr 2023. If you accept the combined appeal offer, your original course will be kept for you if you are unsuccessful in your appeal for transfer. Please refer from pages 77 to 89 for details.

If you have not been offered a full-time 2-year *Higher Nitec* course, you may submit an online appeal for admission at <https://www.ite.edu.sg> between Mon 20 Feb 2023 (9am) and Mon 10 Apr 2023 or between Thu 13 Apr 2023 and Fri 28 Apr 2023. Please refer to pages 88 and 89 for details.

Final JAE ITE Appeal Results

Appeals are considered based on eligibility, merit and vacancies. You can check your appeal results online at <https://istudent.ite.edu.sg> between Fri 17 Mar 2023 and Thu 4 May 2023. If you are posted to an ITE course, you will be informed by ITE about the registration dates via email at the email address provided in your JAE ITE appeal application.

Acceptance of Final JAE ITE Appeal Course Offer

If you are offered a full-time 2-year *Higher Nitec* course, you will receive an Enrolment email from ITE informing you on how to accept the offer and make payment for the course, at the email address provided in your JAE ITE appeal application. You must accept the offer online at <https://istudent.ite.edu.sg> within the dates stated in the email. Otherwise, your training place will be withdrawn and offered to other applicants. Please refer from page 77 for instructions to accept your course offer.

Payment of Fees

Successful applicants can login to <https://istudent.ite.edu.sg> to refer to their Enrolment letter for the payment dates of 1st term (i.e. Apr 2023 term) fees. The payment modes are explained from page 91 and the 1st term fees payable are indicated on page 93.

Instructions to Successful Applicants Who Have Accepted 2-Year *Higher Nitec* Courses

For Singapore Citizens/Singapore Permanent Residents

You are required to pay your 1st term fees (for all payment modes, regardless of the outcome of bursary application/financial assistance, if eligible) by Fri 24 Mar 2023 to secure the training place. The 1st term fees payable is indicated on page 93. For your convenience, you may pay your 1st term fees via a number of payment modes, which is explained from page 91. **If you do not pay your fees by Fri 24 Mar 2023, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.**

You are required to report to your posted College on **Mon 3 Apr 2023** to register for your course and commence training. The Enrolment Letter, which contains registration details, will be sent to the email address that you have provided during the course application. You can also view your Enrolment Letter by following these steps:

Login with your User ID and Password at <https://istudent.ite.edu.sg> > Click 'Self Service' > 'Student Admission' > 'View Enrolment Letter'

For successful *Higher Nitec* in Beauty & Wellness Management; *Higher Nitec* in Early Childhood Education; and *Higher Nitec* in Sport Management applicants who have passed the medical examination, you are required to submit your medical report when you report at your College.

You are to report to your posted College on **Mon 3 Apr 2023 at the time as indicated in your enrolment letter**, in white top and black bottom to commence training. Please bring your NRIC on that day.

For International Students

You are required to apply for Student Pass via SOLAR Plus by **Thu 9 Feb 2023**. For Singapore Citizen students who do not wish to use PSEA to pay fees or Singapore Permanent Resident students, you are required to complete and submit the Application Form for Interbank GIRO (attached at the end of this booklet) during the registration at the Colleges on Wed 25 Jan 2023 for 3-year *Higher Nitec* and 2-year *Nitec* courses, or by Mon 3 Apr 2023 for 2-year *Higher Nitec* courses, for payment of subsequent term fees [i.e. from July 2023 for 3-year *Higher Nitec* and 2-year *Nitec* courses, and from October 2023 for 2-year *Higher Nitec* courses].

If you do not pay your fees by **Wed 25 Jan 2023** for 3-year *Higher Nitec* and 2-year *Nitec* courses, or by **Fri 24 Mar 2023** for 2-year *Higher Nitec* courses, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.

International Students

Successful international applicants who have obtained their Student Pass must pay the 1st term fees via NETS or Credit Card at the Customer & Visitor Centre of their posted College in order to obtain the Enrolment Letter to commence training. They are also required to submit the completed Application Form for InterBank GIRO (attached at the end of this booklet) for payment of subsequent term fees [i.e. from July 2023 for 3-year *Higher Nitec* and 2-year *Nitec* courses, and from October 2023 for 2-year *Higher Nitec* courses].

For successful international applicants for *Higher Nitec* in Beauty & Wellness Management; *Higher Nitec* in Early Childhood Education; *Higher Nitec* in Sport Management; *Nitec* in Asian Culinary Arts; *Nitec* in Community Care & Social Services; *Nitec* in Hospitality Operations; *Nitec* in Nursing; *Nitec* in Pastry & Baking; and *Nitec* in Western Culinary Arts who have passed the medical examination, you are required to submit your medical report and pay the 1st term fees at the Customer & Visitor Centre of your posted College in order to obtain the Enrolment Letter to commence training. You are also required to submit the completed Application Form for Interbank GIRO (attached at the end of this booklet) for payment of subsequent term fees.

If you do not report to your posted College with the Enrolment Letter to commence training by Mon 13 Feb 2023 for 3-year *Higher Nitec* and 2-year *Nitec* courses, and by Thu 4 May 2023 for 2-year *Higher Nitec* courses, you will be deemed to have withdrawn your training place and the place will be offered to other eligible applicants appealing for a place in the course.

Training fees for full-time courses for Academic Year 2023 are:

3-Year Higher Nitec and 2-Year Nitec courses offered under January 2023 JIE ‘O’ Intake

Course	Category	Tentative Fees Per Term (AY2022 Fees) for January 2023 Term				Total ⁷
		Tuition Fee	Supplementary Fee	Examination Fee	GHSI(IS) ⁵	
All 3-Year Higher Nitec courses	Singapore Citizen	\$215	\$18	-	-	\$233
	Singapore Permanent Resident	\$2,925	\$18	\$27	-	\$2,970
	International Student	\$8,175	\$18	\$30	\$13	\$8,236
All Nitec courses	Singapore Citizen	\$215	\$18	-	-	\$233
	Singapore Permanent Resident	\$2,925	\$18	\$27	-	\$2,970
	International Student	\$8,175	\$18	\$30	\$13	\$8,236

For 3-year *Higher Nitec* courses, students will pay *Nitec* fee rate for the first 2 years of training. The fee rate for Year 3 will follow the same fee rate as April intake for *Higher Nitec* in that year, which will be advised later.

2-Year Higher Nitec courses offered under April 2023 JAE Intake

Category	Tentative Fees Per Term (AY2022 Fees) for April 2023 Term				Total
	Tuition Fee	Supplementary Fee	Examination Fee	GHSI(IS) ⁵	
Singapore Citizen	\$295	\$18	-	-	\$313
Singapore Permanent Resident	\$3,880	\$18	\$27	-	\$3,925
International Student	\$10,180	\$18	\$30	\$13	\$10,241

Note:

Under the cohort-based fee structure, a student’s tuition fees will remain unchanged for the entire duration of the course (except student in Year 3 of the 3-year *Higher Nitec* course). With this new fee structure, students will have greater certainty regarding tuition fees and can better plan for the financing of their studies.

- 1) The above are based on Academic Year 2022 fees and are subject to revision in Academic Year 2023. For the latest fee rate, please refer to ITE website at <https://www.ite.edu.sg>.
- 2) Fees are charged based on 6-month term.
- 3) Fee rates are inclusive of GST or after GST subsidy.
- 4) Students are required to pay their term fees for all terms by the stipulated dates in order to remain in their course of study. For the subsequent terms, students are required to pay their fees through PSEA / GIRO (if you are not paying using PSEA, or your PSEA balance is insufficient for all terms in the course of study).
- 5) Full-time International Students studying in ITE are required to participate in the Group Hospitalisation and Surgical Insurance [GHSI(IS)] scheme, and the insurance premium will be included in the fees at the start of each academic term. The purpose of the GHSI(IS) is to help defray the hospitalisation expenses for International Students in the event that they are hospitalised. The GHSI(IS) amount payable is subject to yearly review. For International Students in the *Nitec* in Nursing course, the GHSI(Healthcare) rate stated in Note 6 will apply instead.
- 6) All students in the *Nitec* in Nursing course are required to participate in the GHSI(Healthcare) scheme, which will cost \$13.00 per term (rate applicable for AY2022. Please check latest fee rate at <https://www.ite.edu.sg>) for insurance premium. This amount will be included in the fees at the start of each academic term. The GHSI(Healthcare) provides coverage for hospitalisation expenses plus an outpatient rider for clinical attachments. The purpose of the rider is to cover medical treatments and diagnostic tests as necessary in the course of study and/or clinical attachments for the *Nitec* in Nursing students. GHSI(Healthcare) rate payable is subject to yearly review.
- 7) The total fees shown in the table are for students in the full-time *Nitec* courses (excluding *Nitec* in Nursing). For *Nitec* in Nursing students, the total fees are different after consideration of the specific GHSI(Healthcare) rate.
- 8) **Fees are charged based on citizenship at the point of term commencement. Students who have officially informed ITE of their citizenship change to Singapore Citizen or Singapore Permanent Resident before the term commencement will have their fees adjusted to the Singapore Citizen / Singapore Permanent Resident rate for that term. However, for students who inform ITE officially of their citizenship change to Singapore Citizen or Singapore Permanent Resident after the term commencement, their fees will be adjusted to the Singapore Citizen/ Singapore Permanent Resident rate only with effect from the next term.**

Refund of Fees

Tuition, Supplementary and Examination fees may be refundable under the following conditions:

Date of Application for Refund	Amount of Refund*
2 weeks or more before start of course / term	100% refund
Less than 2 weeks before start of course / term	50% refund
After start of course / term	No refund

* **Refund is not an automatic process and subject to approval. Applicant must apply for refund before ITE will process the request.**

AWARDS, FINANCIAL ASSISTANCE SCHEMES AND SPONSORSHIPS

1) ITE Community Scholarship

The ITE Community Scholarship is open to Singaporean GCE ‘O’ / GCE ‘N’ Level holders who have been selected for ITE’s full-time *Higher Nitec* and *Nitec* courses and are in the top 10% of the GCE ‘O’ / GCE ‘N’ level entrants at each intake exercise. Company-sponsored students admitted to ITE’s full-time courses are also eligible for the scholarship.

Successful recipients will be informed by ITE. No application is required.

Each scholarship will be given for the duration of the course. For recipients in a 2-year or 3-year course, renewal in the second and third year of study is subject to their performance and conduct in the previous year of study.

The value of the award is \$1,800 per year and 100% tuition fee subsidy per annum.

Recipients of the ITE Community Scholarship will not be eligible for the Edusave Merit Bursary or Higher Education Community Bursary.

2) Higher Education Community Bursary

The Higher Education Community Bursary is open to Singaporean applicants seeking admission to ITE full-time courses. To be eligible, the applicant’s gross monthly household income (GHI) must not exceed \$4,400 or gross monthly household per capita income (PCI) must not exceed \$1,100. Students will only need to meet one of the income criteria to be eligible for the Higher Education Community Bursary. In the event that a student meets both the GHI and PCI that are pegged to different quantum, the bursary that accords the higher quantum will be awarded to the student. Details are given in the table below:

Income			Bursary Quantum per Annum for <i>Nitec</i> and <i>Higher Nitec</i> Courses
Gross Monthly Household Income (GHI)	OR	Gross Monthly Household Per Capita Income (PCI)	
≤ \$3,000		≤ \$750	\$1,600 + 100% tuition fee subsidy
\$3,001 to \$4,400		\$751 to \$1,100	\$1,300

Applicants for the bursary must not be in receipt of the ITE Community Scholarship or any other full scholarship (a full scholarship typically covers tuition fees payable and a monthly or annual living allowance).

To apply for the bursary, an applicant will be required to submit an online application for financial assistance and submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

- Go to the website <https://for.edu.sg/ite-student-portal> and log on with ID and password
- Click on the “iStudent/MyExam” icon, and then the "Financial Assistance" icon

Successful applicants will be informed by their Colleges.

3) Higher Education Bursary

The Higher Education Bursary is introduced for ITE students whose gross monthly household income (GHI) must not exceed \$10,000 or gross monthly household per capita income (PCI) must not exceed \$2,500. Students may apply for the bursary at any time during an academic year. Students will only need to meet one of the income criteria to be eligible for the Higher Education Bursary. In the event that a student meets both the GHI and PCI that are pegged to different quantum, the bursary that accords the higher quantum will be awarded to the student. Details are given in the table below:

Income			Bursary Quantum per Annum for <i>Nitec</i> and <i>Higher Nitec</i> Courses
Gross Monthly Household Income (GHI)	OR	Gross Monthly Household Per Capita Income (PCI)	
\$4,401 to \$7,500		\$1,101 to \$1,875	\$650
\$7,501 to \$10,000		\$1,876 to \$2,500	\$440

Applicants must be a subsidized Singapore citizen student pursuing full-time *Nitec* or *Higher Nitec* course and must not concurrently hold any other full scholarship (a full scholarship typically covers tuition fees payable and a monthly or annual living allowance).

To apply for the bursary, an applicant will be required to submit an online application (see application steps under Higher Education Community Bursary) for financial assistance and, submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

4) Edusave Merit Bursary

The Edusave Merit Bursary is awarded to ITE full-time *Higher Nitec* or *Nitec* students in recognition of their academic performance. Singapore Citizens who are ranked within the top 25% of their course based on their examination results of the training year and have a Gross Monthly Household Income not exceeding \$7,500 or per capita income not exceeding \$1,875, will qualify for this award. Each award is valued at \$500. All eligible students will be informed by their respective Community Centres on the application procedure.

5) ITE Monthly Financial Assistance Scheme (MFAS) and Special Student Assistance Scheme (SSAS)

The ITE MFAS scheme aims to provide monthly allowance for a period to needy full-time Singaporean students who face special hardship circumstances and require regular financial assistance to help them with daily expenses. The monthly allowance is \$150.

The ITE SSAS scheme aims to provide a one-off financial assistance to tide full-time Singaporean students over short-term financial difficulties so that they can continue with their study. The quantum of award shall be decided by the College on a case-by-case basis (typically \$200), subject to a cap of \$600 per year.

To be eligible, the applicant's gross monthly household income (GHI) must not exceed \$3,000 or gross monthly household per capita income (PCI) must not exceed \$750. To apply for the financial assistance, an applicant will be required to submit an online application (see application steps under Higher Education Community Bursary) and submit the supporting income documents (e.g. latest payslips, letters from employers) to the College where he/she is studying for verification.

6) ITE Arts Excellence Award

The objective of the ITE Arts Excellence Award is to recognise quality contributions by students to ITE arts scene and to motivate on-going students to excel in music and the arts.

ITE full-time *Higher Nitec* and *Nitec* students who have a good record of CCA, exemplary conduct, positive attitude and outstanding arts &/or music achievements/performance in ITE will be nominated for the award. The value of the award is \$300 and nomination is opened to students in their final year of course only.

7) ITE Sports Excellence Award

The objective of the ITE Sports Excellence Award is to encourage and motivate on-going students to excel in sports and games and to recognise outstanding contributions and achievements by students in ITE's sports arena.

ITE full-time *Higher Nitec* and *Nitec* students who have attained a good record of CCA, exemplary conduct, positive attitude and outstanding sports &/or games achievements in ITE will be nominated for the award. The value of the award is \$300 and nomination is opened to students in their final year of course only.

8) ITE CCA Medal

The ITE CCA Medal is awarded to the full-time *Higher Nitec* and *Nitec* students who have brought honours to ITE through their achievement in music and arts, sports and games or have contributed significantly to the enhancement of College life and demonstrated outstanding leadership in their chosen CCA.

The awardees will be selected from among the recipients of EAGLES. Recipients of an equivalent incentive award will also be considered on a case-by-case basis. Each awardee will receive a Certificate and a Medal.

9) Good Progress Award

The Good Progress Award (GPA) is aimed at rewarding the top 10% of ITE full-time Singaporean students who show commendable improvements in their *Higher Nitec* and *Nitec* courses. They must have passed all the accountable modules in the examinations and must not be in receipt of the Edusave Merit Bursary or ITE Community Scholarship. Each award is valued at \$400. No application for the award is required as the students who have shown progress in their studies will be identified.

10) Edusave Skills Award (ESA)

Edusave Skills Award is given to students who demonstrate excellent professional and soft skills throughout their course of study based on their performance in curriculum components such as industry attachment, final

year projects and/or achievements in competitions, conferences or other platforms which require application of course-specific skills. Up to 10% of ITE full-time Singaporean students in the graduate cohort of the year of nomination will be selected for the award yearly. Each award is valued at \$500.

11) Edusave Awards for Achievement, Good Leadership and Service (EAGLES)

EAGLES is an award that gives recognition to ITE full-time students for their leadership qualities, service to community or excellence in the non-academic areas, i.e. Sports & Games, Arts & Cultural Activities, Clubs & Societies, and Community Service. Up to 10% of ITE full-time *Higher Nitec* and *Nitec* students who are Singapore Citizens will be selected for the award yearly. No application for the award is required. The cash quantum of each award is \$500.

12) Edusave Character Award

Edusave Character Award (ECHA) is given to ITE students who demonstrate exemplary character and outstanding personal qualities through their behaviour and actions. Up to 2% of ITE full-time *Higher Nitec* and *Nitec* Singaporean students will be selected for the award yearly. Each award is valued at \$500.

13) Howe Yoon Chong-PSA Scholarship

The Howe Yoon Chong-PSA Scholarship provides financial assistance to Singaporeans from lower income families to upgrade themselves through attaining formal qualifications and/or technical skills.

The Scholarship is open to Singapore citizens aged 25 years and below who are admitted to a full-time *Higher Nitec* or *Nitec* course and whose gross monthly household per capita income is \$750 and below. For applicants with GCE ‘O’ qualification, the aggregate score for English Language, Mathematics and best 3 subjects must not exceed 26 points. For applicants with GCE ‘N’ qualification, the aggregate score for Mathematics and best 3 subjects must not exceed 9 points.

The Scholarship will pay for the tuition and other compulsory fees, monthly living allowance of \$350, and an annual book allowance of \$200.

Applications will open in November 2022.

Details on the Scholarship are available at <http://www.hycpsascholarship.com>.

14) SAF-ITE Sponsorship (Enhanced Warrant Officers Scheme) and SAF-ITE Sponsorship (Military Domain Experts Scheme) for *Higher Nitec* / *Nitec* courses

Students seeking admission into ITE full-time *Higher Nitec* and *Nitec* courses may apply for sponsorship under SIS (EWOS) in short for SAF-ITE Sponsorship (Enhanced Warrant Officers Scheme) and SIS (MDES) in short for SAF-ITE Sponsorship (Military Domain Experts Scheme). Under these schemes, the SAF will provide ITE students with sponsorship of their studies, which covers tuition fees and other compulsory fees. In addition, they will receive a monthly allowance ranging from \$550 to \$750, depending on course and the type of vocation applied.

Sponsored students are required to serve a bond upon completion of their ITE courses. They may choose to join the Army, Navy or Air Force.

15) Sponsorship for *Nitec* in Nursing Course

Hospitals offer sponsorship awards to selected students who have successfully enrolled in the *Nitec* in Nursing course. Upon successful completion of training, recipients will join the sponsoring hospital where you will perform direct nursing care and activities to patients. More information on this sponsorship would be available after students commence the course.

16) Singapore Olympic Foundation – Peter Lim Sports Scholarship

The Singapore Olympic Foundation – Peter Lim Sports Scholarship is offered to ITE students pursuing full-time courses. Special consideration will be given to athletes who are in financial need. More information

on this scholarship can be obtained at the respective ITE Colleges.

17) Keppel Care Foundation Scholarship & Keppel Merit Awards

The Keppel Care Foundation (KCF) Scholarship and Keppel Merit Awards are offered to ITE full-time students from the Schools of Engineering, Electronics & Info-Comm Technology and/or Business & Services courses. The objective of the KCF Scholarship and Merit Awards is to provide assistance for ITE students who need financial aid and encourage them to continue to excel in their course in ITE. The quantum of the KCF Scholarship and Keppel Merit Awards is valued at \$9,600 and \$3,000 per recipient respectively.

18) Industry Scholarships for Courses

ITE has a wide range of scholarships and sponsorship awards offered by external organisations and companies. Students who do well in their studies, have a good track record in co-curricular activities, leadership qualities and special talents will stand a good chance of getting these scholarships. TRAINEESHIP TRAINING SYSTEM

Traineeship is a structured mode of training that enables you to learn valuable skills in an actual work environment and earn a salary at the same time. The training duration varies from 1 to 2 years, depending on the Traineeship course you have chosen.

A Traineeship course comprises 2 components as follows:

On-the-job training:

You will work under the supervision of an experienced and qualified trainer in the sponsoring company to learn the skills needed for the job.

You will enjoy the following benefits:

- Learn from qualified and experienced trainers
- Acquire life skills through on-the-job training
- Enjoy benefits as other employees in the company
- Gain a head start in your career
- Receive the same national certificate as full-time ITE graduates
- Attain recognition of Traineeship completion
- Have the same opportunities as full-time graduates to upgrade your skills through further education

Off-the-job training:

For Traineeship courses conducted at ITE Colleges, you will attend theory and practical lessons at the selected ITE College and work at the sponsoring company. For Traineeship courses conducted at an ITE Approved Training Centre (ATC), you will attend theory and practical lessons, and work at the sponsoring company. The lessons may be conducted on a full-time block-release (full-time for a few days or weeks) and/or day-release (once or twice a week) basis.

Notes:

- 1) Applicants for the Automotive Technology; and Built Environment (Mechanical & Electrical Services) courses must be free from colour appreciation deficiency. Colour vision test is available over the Internet at <https://colormax.org/color-blind-test/>. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
- 2) Course commencement is subject to a minimum class size. In the event that a class is not able to start, ITE will inform all applicant(s) in the affected course, and assist to place the applicant(s) in the next alternative Traineeship course of his/her choice, subject to availability.

INSTRUCTIONS ON TRAINEESHIP APPLICATION

The application starts from 3pm on the day of release of the 2022 Singapore-Cambridge GCE 'O' Level Examination results and ends at 4pm on 16 January 2023. Please refer to The Straits Times advertisement or ITE website following the release of the 2022 GCE 'O' Level Examination results for the exact application period and more details on the intake.

If you encounter difficulties with your application over the Internet, please call the ITE Customer Service Hotline at 1800 2222 111 for assistance.

Application for Nitec Courses

You are to submit your application online. You will be required to view the ITE Traineeship videos and attend an online pre-interview session with an ITE Officer before attending an interview at the company you are referred to. Please refer to the **verification slip** for the links to make an appointment for the online pre-interview session. Please get ready your Form J, Examination Result Slip and Report Book. Your application will be withdrawn if you do not view the ITE Traineeship videos and attend the pre-interview. An applicant must be employed by a participating company in order to join a Traineeship course.

View ITE Traineeship Videos and Attend Online Pre-Interview Session

The ITE Traineeship videos will be available on ITE website at <https://www.ite.edu.sg/admissions/traineeship> and the pre-interview session will be conducted online. Microsoft Teams is the platform that will be used for the pre-interview, and is available at <https://www.microsoft.com/en-sg/microsoft-365/microsoft-teams/download-app>. Please install the Microsoft Teams app on your device (e.g. laptop, PC, smartphone etc.) before the interview, and ensure that the front-facing camera and microphone permissions are enabled for the app. Your application may be rejected if you do not view the ITE Traineeship videos and arrange an online pre-interview session within 1 week of online application date. Vacancies are limited. ITE reserves the right to only serve applicants who have completed their online application, viewed the ITE Traineeship videos and attended the online pre-interview session.

You may contact us at 1800 2222 111 during office hours if you need assistance to make an appointment.

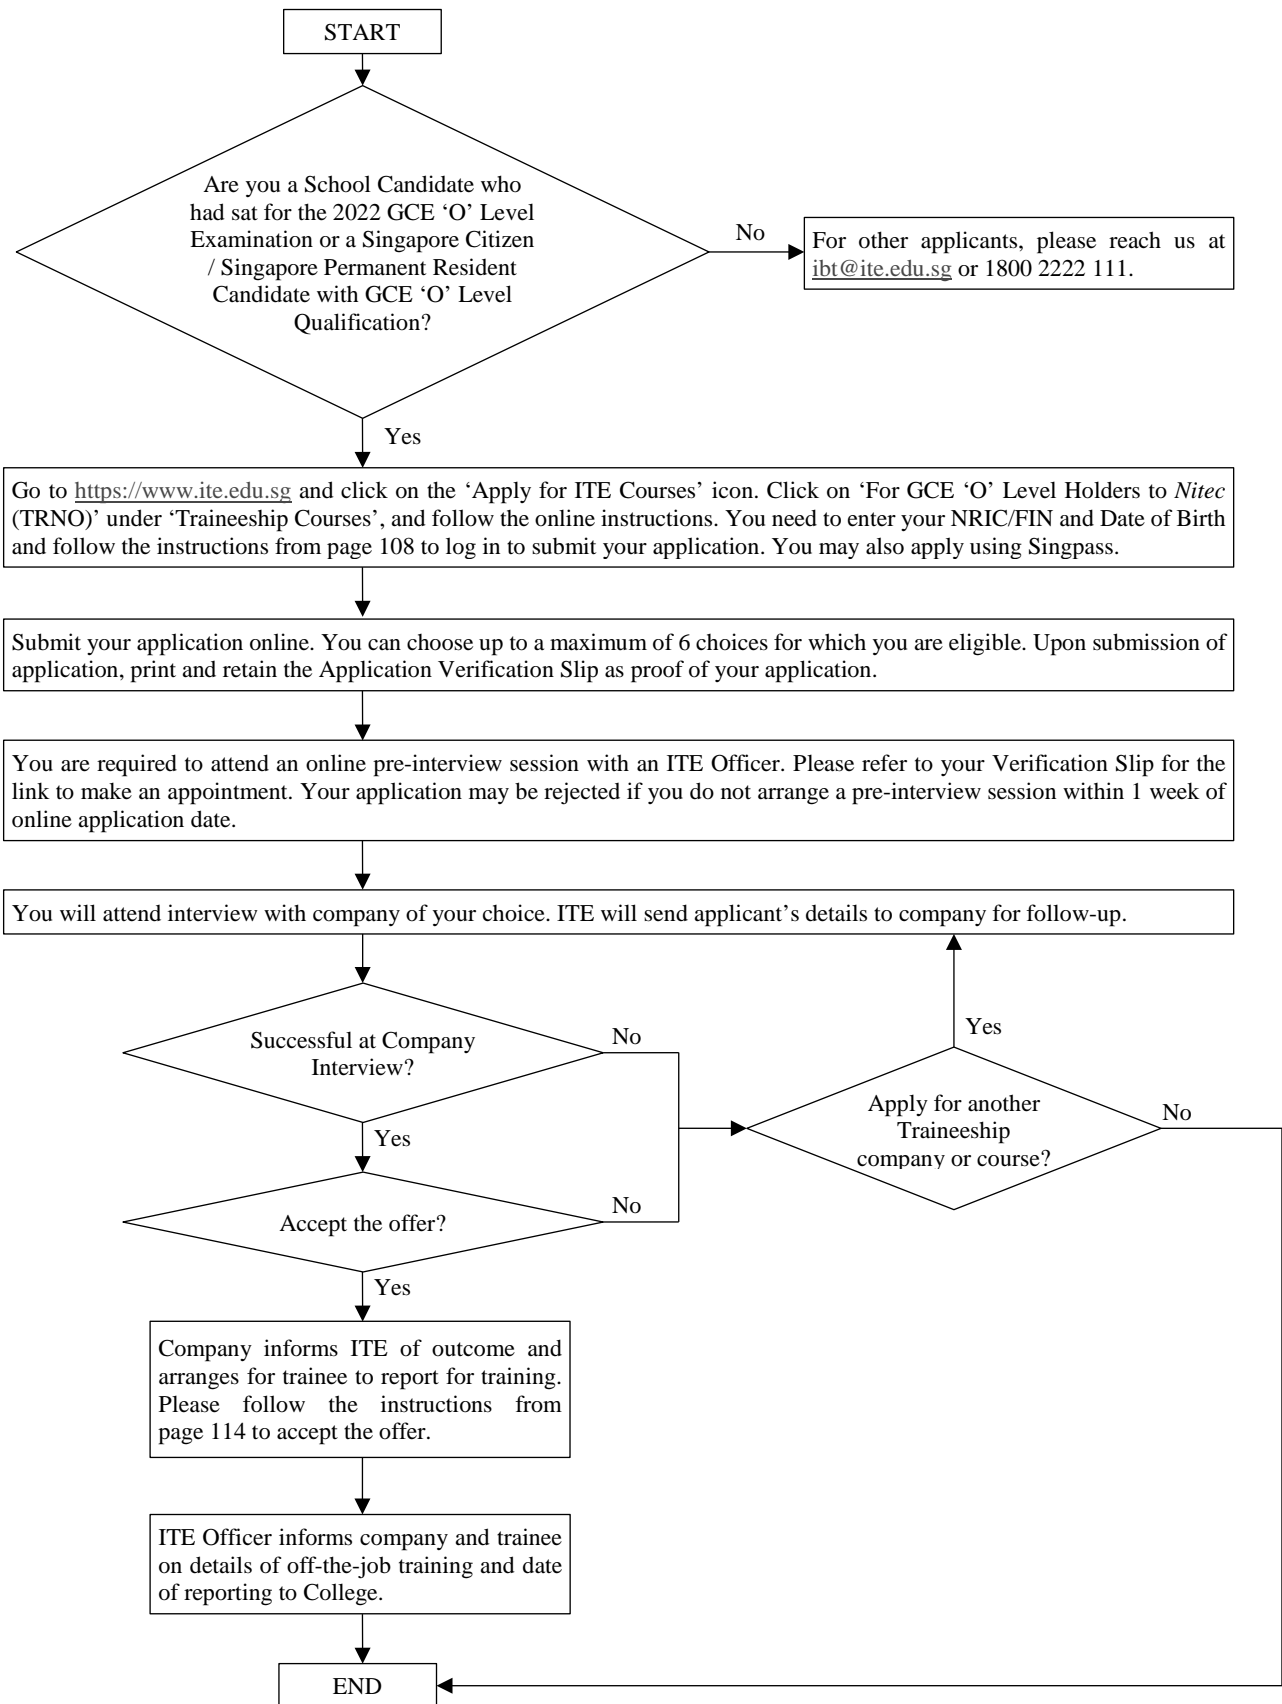

Change of Course or Company

To apply for a change of course or company, please contact the Industry Officers in-charge or email your request to ibt@ite.edu.sg. All applications for change of course or company are subject to vacancy.

NATIONAL SERVICE (NS) DEFERMENT

National Service (NS) liable males who wish to pursue ITE Traineeship courses in year 2023 will have to check their eligibility for NS Deferment. For latest updates on NS deferment eligibility and policy, please visit <https://for.edu.sg/ns-deferment>. Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled in.

Note: If the student has a PSEA, deduction of fees will always be made from his/her PSEA first.

Part 2

This part is to be completed if the student is requesting to use his sibling(s)' PSEA. If the student is using his own PSEA only, this part need not be completed.

- a) Sibling who is/are 21 years old and above need to authorise the usage of his/her PSEA by signing in this part of the form. If any one of the siblings is below 21 years old, parent's authorisation is required by signing Part 3 of this form.
- b) A student may request to deduct funds from up to 3 siblings' PSEA. However, if the student has a PSEA, deduction will first be made from his own account. Any shortfall will then be deducted from the sibling's account labelled "First" under the column heading "Deduction Priority". If there is still shortfall, deduction will be made from the sibling's account labelled "Next", followed by the account labelled "Last". Please see the examples below:

Scenario 1: When the student has PSEA balance of \$200

		Student	Sibling	Sibling	Sibling
PSEA Balance		\$200	\$200	\$400	\$400
Deduction Priority			First	Next	Last
Maximum Amount To Use			100%	25%	50%
Example	Course Fees	Amount Deducted			
A	\$350	\$200	\$ 150		
B	\$500	\$200	\$200	\$ 100	
C	\$1,000	\$ 200	\$200	\$250 (25% of \$1000)	\$350

Scenario 2: When the student does not have PSEA or his/her PSEA balance is \$0

		Student	Sibling	Sibling	Sibling
PSEA Balance		-	\$200	\$400	\$400
Deduction Priority			First	Next	Last
Maximum Amount To Use			100%	25%	50%
Example	Course Fees	Amount Deducted			
D	\$250	-	\$200	\$50	
E	\$700	-	\$200	\$175 (25% of \$700)	\$325

Part 3

This part authorises the use of the PSEA by the student and/or Parent/Legal Guardian.

a) **"By Parent/Legal Guardian"**

This section must be signed by a parent/guardian if the student or any sibling whose account is to be used is below 21 years old. A legal guardian is one who is court-appointed, or has been appointed guardian of a child or children by virtue of a will. Please submit the relevant documents to indicate that you are the legal guardian of the child or children.

b) **"By Student"**

This section must be signed by the student, if he is 21 years old or above.
